Respected Soham Sir,

I would like to inform you that Bikshapati today sent one of his concrete pouring contractor (Balaiah), visited our site today to identify a suitable location for installing a concrete lifting machine. I.e., at North side of E-block Flat# 101 @ 114.6 level. Please find the below attached photos for suitable position to place the concrete Miller.

Bikshapati was asking ₹15/sft for slab pouring and he will be able to start concrete pouring from Monday due to ongoing work at another site. Slab pouring will complete in 4 days i.e., 1 flat/day.

Material required to pour the slab.

1. 800 Cement bags
2. 130 Ton Fine aggregates
3. 170 Ton Course aggregates.
4. Water tanker.

Anand

Look into this.

Regards,

Soham Modi

Ahmed,
Go ahead make requisition and finish the work as early as possible.

Soham bhai,
I'm on top of it.

Anand Mehta.
