Respected Anand Sir,

We require your approval to remove debris from our GMR site to a designated area outside the premises. After negotiations with Chandrakala, they have agreed to remove the material for Rs.1.2 lakh. The debris is currently located under the Clubhouse ramp and E-block ducts, and photos are attached below for your reference.

Thanks and Regards

contractor has agreed to remove debris from our site and manually clean the E-block ducts for a price of Rs.1.2 lakhs, down from the initial quote of Rs. 1.6 lakhs. This scope of work requires mobilizing manpower for the task.

However, I further requested a reduction to Rs. 90,000, but the contractor has indicated that further negotiation is not possible for him.

Thanks and Regards
