*** **

I invite kind attention to the subject & reference cited, and inform that the land in Sy.No.176 extent Ac.3-12 gts. situated at Nagaram Village was auctioned by the Collector, R.R.District and knocked down in favour of the applicants. As such the auctioned land has been got surveyed with the Mandal Surveyor of this office and handed over the same to the auction bidders. But the auction bidders represented that the land handedover to them is found less about 0-20 gts. as they have got demarcated auctioned extent and hence requested to hand over correct extent of land i.e, (3-12) acres for which they have remitted entire auction amount.

(Contd...2)

In view of the above request kindly to depute the Dy. Inspector of Survey for demarcation of the auctioned land and fixing correct boundaries as early as possible as the auction bidders have remitted entire amount of auction long back.

Early action is solicited.

Yours faithfully
