Dear Sir,

Sub: Public Private Partnership (PPP) in creation of top class infrastructure in Hyderabad – request for your participation – Reg.

<><><><><><>

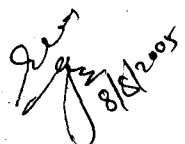

As you are aware, our historical city with a rich heritage is one of the fastest growing metropolitan areas in the country. Known as the main center for bulk drugs, pharmaceuticals, cement, and other manufacturing industries, it is now fast emerging as a major IT/ITES hub and as an important tourist destination. The rapid growth of Hyderabad metropolitan area has cast an enormous strain on the city's infrastructure. Governmental agencies alone cannot cater to the massive infrastructural needs of the city and PPP model is the right solution to tackle this mammoth task.

As a small beginning in this effort of creation of top class infrastructure in Hyderabad, we thought of requesting you to actively participate/contribute in/to the traffic related and other public works that are being taken up by MCH in PPP mode. We are taking up improvement of junctions; installation and maintenance of modern traffic signals; creation of bus bays/auto parking bays; footpath improvements; erection of road dividers & signage; painting of zebra crossings, construction of public toilets/urinals etc. Your organization can choose one or a few of them, and the sponsorship will be offered on first come first served basis. You can install a few small and pleasing to the eye signboards at the approved location(s) indicating that the work is sponsored by your company/organization. **A Consultation-cum-Partnership Workshop** in this regard will be held **at 4.00 pm on 12-08-2005 (Friday) at Jubilee Hall (Public Gardens premises; near Assembly)**. You are cordially invited to attend the same and contribute to the success of this partnership endeavor to make Hyderabad a top class city. For any further details, you may please contact Mr. N.V.S. Reddy, Additional Commissioner/T&T on phone no. 23220848 or at E-mail: nvsreddyiras@yahoo.com

Yours sincerely,

(SANJAY JAJU)
