Subject: Seeking legal advice on Mr. Vinay Agrawal case

Mr. Soham Modi,

Yesterday someone claiming to be from Nampalli Criminal Court came to Silver Oak Apartments with some Legal notice and got hold of my Friend Jagan's Number from the Association Office and called him up Seeking my Address to Deliver the Court Notice.

Jagan tells me that the caller was threatening with dire legal consequences like seizure of Property if we don't cooperate with him. We find the Psychological Profile of Vinay Agarwal very disturbing. The desperation and tactics he has employed in obtaining our details so far and the language he used are indications that he is a frustrated and angry man who will not stop exploring ways to harass our tenants, friends and relatives till his objective of delivering the Notice to the correct Address is achieved and thereby prolonging the Court case against you. We are afraid he and his lawyers might also resort to not so legal methods in harassing us till they succeed in getting what they want causing us severe inconvenience and loss of time and mental peace.

Jagan immediately brought the situation to the notice of Your Staff Ramachari and Rambabu over Phone and he says they assured once again that there is nothing to worry and that it is just another attempt by Vinay Agarwal to litigate the issue further. As it is we already feel disturbed and we do not want to get drawn into unknown complicated Legal situations. We expect your staff to prepare us for the Legal and other consequences of the present situation in a responsible way minimizing the disturbance to us.

We appreciate your personal attention and full support in relieving us of this stress and mess. We need access to your legal counsel for immediate advice on any unforeseen emergencies arise from the situation as described above. Pls. provide us with phone numbers to contact incase of any emergencies.

Regards

Shriram
