Dear Sir,

I am the owner of the plot of the land adjoining the eastern boundary of your housing project known as Mayflower Heights situated at Mallapur, Hyderabad.

This is to certify that I have no objections or claims of whatsoever nature against the constructions made or proposed in the said project. I further confirm that I have no boundary dispute with you. The boundary wall constructed does not encroach into any portion of my land.

I further confirm that I have no objection to the electric power transformers and fittings that have been erected within your premises on the western side of my land and I shall not raise any issue in the future on this count.

Thank You.

Yours sincerely,

A. Satish
