Sub.: Undertaking for payment of service tax along with interest and penalty.
Ref.: Booking for flat No. 503, on _fifth floor in Block 'B_' in the project known as
'_May Flower Heights' situated at Mallapur,Nacharam
Dear Sir,

I have booked the above referred flat and in that regard documents like booking form, agreement of sale, sale deed, construction agreement and agreement for development charges were executed. As per the terms agreed between us, I have agreed to pay the service tax that is leviable or may become leviable for the purchase of the said flat.

I am aware of the divergent views regarding the applicability of service tax for the flat purchased by me. I have also been explained and I am aware of the following facts:

- A. As per the provisions of Finance Act, the Builder M/s. Alpine Estates is liable to collect service tax from its Purchasers (myself), as applicable from time to time and remit it to the government.
- B. The Builder has undertaken the construction of my flat and the construction service being provided is a subject matter of levy of service tax under the Finance Act, 1994 and the rules made there under. And that there are divergent views as to applicability of service tax on the Builders for such construction activity.
- C. The Department of Central Excise and Service Tax (Hyderabad Commissionerate) had summonsed the Builder for collection of service tax on the construction activity provided by the Builder to the Purchaser. And that the Central Board of Excise and Customs (CBEC) have issued the circular 108/2/2009-ST dated 29.01.2009 stating that there is no service tax liability on the Builders.
- D. There is a legal view/opinion that service tax is not applicable on the construction provided by Builder in view of the referred circular.
- E. Service tax is consumption based indirect tax and the service recipient that is the Purchaser is liable to make the payment of service tax to the service provider, that is, the Builder.

I request you to not pay the service tax that is applicable or may become applicable for the purchase of my flat in view of the divergent views as to applicability of taxation as on date and also for the reason that the final outcome is uncertain. I understand that M/s Alpine Estates has the burden of payment of service tax and therefore, I undertake to pay the service tax to you as and when such a liability arises along with interest and penalty, if any. I request you to not make any payment towards service tax for the transaction between us till there is a final conclusion/decision in this regard.

I have as a security against the contingent liability that may arise as a result of clarity/decision in the matter or at the end of the litigation have deposited a sum of **Rs. 140624/- (Rupees One Lakh forty thousand six hundred twenty four Only)** as interest free security deposit with you.

In case a liability to pay service tax arises as a consequence mentioned above, I request you to discharge the liability from the security deposit lying with you. I further request you to refund the amount to me in case no service tax liability arises as a result of clarity/decision in the matter or at the end of the litigation

I further agree that the decision to make the payment of service tax along with interest and penalty shall be solely be your privilege. You may at your discretion decide to pay the service tax instead of continuing with the litigation. I shall not raise any objection on this count.

Thank you.

Yours sincerely,

J. Chandrasekhar
