Notice

To,
The Members,
Paramount Residency Owners Association,
Nagaram.

After careful technical analysis it was found that one fan and one light point in each flat at Paramount Residency can be provided back-up power from the existing generator. Therefore, it is proposed that one light and one fan point in the drawing room of each flat shall be provided with generator back-up.

The estimated cost of such a connection in each flat is about Rs. 1,500/- Members who are interested in getting a generator backup installed in their flat are requested to pay an amount of Rs.1,500/- in favour of Paramount Residency Owners Association and the generator backup shall be provided in 6 to 8 weeks time. There will be no monthly or recurring charges thereafter.

Please note that the generator backup connection shall only be provided for those members who have no arrears of maintenance charges. Please do not make requests for generator backup connection for more than one light or fan point or for the provision of the same in an alternate locations within the flat, as it is technically not feasible.
