

Internal memo no. 903-37 - purchase division

Date: 07-05-2022

Subject: Rates for fabrication items.

Keywords: Fabrication, grills, templates, railings, gates.

Rates of grills, templates, railings, gates fabricated in MS and specified in other circulars. The rates are mentioned based on sft. The rates of steel have become very volatile and therefore the rates must be specified in rupees per kg. Accordingly, this internal memo is being issued for rates in kgs/sft. This is for sale of material from SSLLP to other sites and vice-versa.

Original circulars can be suitably modified.

Rates shall be as follows:

Item	Steel rate	Powder coating rate	Fabrication labour rate	Transportation labour cost
Grills	Rs. 79/-	Rs. 20/-	Rs. 22/-	Rs. 1/-
Templates	Rs. 80/-	Rs. 20/-	Rs. 11/-	Rs. 1/-
Railing	Rs. 79/-	Rs. 20/-	Rs. 11/-	Rs. 1/-
Gates	Rs. 84/-	Rs. 20/-	Rs. 18/-	Rs. 1/-

Notes

1. Rate of steel can be considered as average rate of 10mm square bar and 40mm x 2.7mm round pipe. Adopt the steel rate for sales to other sites.
2. Weigh the MS fabricated material – add powder coating cost + fabrication cost + transportation cost + 5% wastage + 10% profit and GST.
3. Hereafter, bill to be made as per above.

Soham Modi.
