HANDING OVER CERTIFICATE

MODEL ORDER REF	RTAG 63I779
S.NO.	G21G02496

Thank you for choosing TRANE equipment.

The above equipment has been started and commissioned as per TRANE factory specifications and procedures for this type of chillers on **5th March 2022**

The Pre-commissioning checklist and the chiller service report as downloaded from chiller UC 800 are enclosed. The unit is operating satisfactorily as per design specifications.

Ensure that the unit operates within the voltage parameters and maintain design water pressure drop across chiller for efficient and trouble-free operation. The warranty of the equipment will expire on **22nd Feb 2023**

We are confident that our equipment will give you many years of satisfactory service and once again thank you for choosing TRANE.

Thanking you and assuring you of our quality service always.
