Sri. Chandragiri Anjaiah S/o Narsaiah has requested for issue of "No
Objection Certificate" for the land in Survey No.165 situated in Vangapally Village,
Yadagirigutta Mandal, Yadagirigutta vide reference 1st cited.

The Deputy Executive Engineer, I.B Sub-Division, Yadagirigutta has reported
vide reference 3rd cited above, that the land in Survey No.165 with an extent of
Ac.09-05 Gts in Vangapally Village, Yadagirigutta Mandal. A local stream is passing
through Survey No.165 of Vangapally Village, Yadagirigutta Mandal. The width of
stream 10.00 M is fixed as per site condition & buffer zone width of 2.00 M is fixed on
either side of the stream. The width of stream & buffer zone is demarketed on the site
and on the location sketch.

The detailed survey has been conducted along with revenue officials and an
extent of Ac.00-10 Gts is ascertained coming in the stream and an extent of
Ac.00-06Gts is assessed as buffer zone in survey No.165. The net extent in Survey
No.165 is Ac.08-29 Gts (After deducting Stream area and buffer Zone).

In view of the report submitted by the Deputy Executive Engineer,
I.B Sub-Division, Yadagirigutta and Tahsildar, Yadagirigutta Mandal "No Objection
Certificate" is issued for the land in Survey No.165 for an extent of Ac. 08-29 Gts of
Vangapally Village, Yadagirigutta Mandal with following conditions.

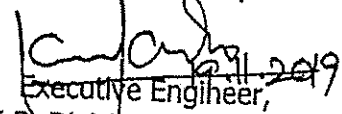

- 1) The applicant shall not be allowed to take up any building and development
activity within the stream defined boundary. The above stream shall be

maintained as Recreational/Green Buffer Zone and no building activity shall be carried out within 2mts from defined boundary of canal of bed width less than 10meters as per G.O Ms No.168, Dt. 07.04.2012.

- 2) The applicant shall not dig any bore wells within the bed and buffer zone of the stream.
- 3) The applicant shall not discharge waste water into irrigation source or adjacent fields directly and shall arrange separate drain system for discharging waste water.
- 4) The applicant shall not dump any earth in bed and buffer zone of the stream to rise the land level.
