Notes: 1. In case amount to be credited to supplier and the bills total does not match, accountants to prepare JV for debit or credit. 2. This set should only have 5 documents i.e., advice to credit to supplier, original bill, proof of delivery, original purchase order with barcode, original requisition. 3. Do not attach additional documents like weighment slips, RMC batch reports, duplicate documents, Eway bills, test reports, etc. 4. In Amount A, exclude transport, Hamali charges, etc., and instead include in Amount B. 5. This report must reach HO within one working day of approval by purchase officer/purchase manager.

Remarks:

Please Note: This concrete delivery is subject to the terms and a condition of sales shown in our quotation. The time is allowed for updating this delivery is 15 minute. We reserve the right to charge for any detention beyond this time as per our quotation Any un authorized addition of water and/or any other material to concrete shall absolve us from any liability whatsoever. Any deficiency in methods of placing, compacting, finishing and curing of concrete adopted at site may affect quality of concrete in the finished work, for which we shall not be held liable and responsible. Any disputes that arise on quantity and quality (except comp. strength) of concrete supplied in this load shall be reported to us in writing within 24 hours from the time of supply. In no event shall we be liable for direct, indirect, incidental or consequential damage arising out of use of the product, even if advised of possibility of such damage. In no case shall our liability exceed the purchase price of this product. 24% interest per annum will be charged from the date of invoice on the amount remaining partly or wholly unpaid after due date.

\*This document also constitutes as a Delivery Challan.

I hereby confirm that:

1. I/We have accepted delivery of concrete as per the details mentioned above. 2. I/We have authorized addition of any water and/or admixture as mentioned above.

| Please Note: This concrete delivery is subject to the terms and a condition of sales shown in our quotation. The time is allowed for updating this delivery is 15 minute. We reserve the right to charge for any detention beyond this time as per our quotation Any un authorized addition of water and/or any other material to concrete shall absolve us from any liability whatsoever. Any deficiency in methods of placing, compacting, fishing and curing of concrete adopted at site may affect quality of concrete in the finished work, for which we shall not be held liable and responsible. Any disputes that arise on quantity and quality (except comp. strength) of concrete supplied in this load shall be reported to us in writing within 24 hours from the time of supply. In no event shall we be liable for direct, indirect, incidental or consequential damage arising out of use of this product, even if advised of possibility of such damage. In no case shall our liability exceed the purchase price of this product. In case of any discrepancies in the Invoice please inform us within 3 working days from the date of Invoice, otherwise it will be assumed that the Invoice is correct and accepted. 24% interest per annum will be charged from the date of Invoice on the amount remaining partly or wholly unpaid after due date. |                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                        |                                                                                     |            |                       |        |                                                                                                                           |        |             |        |                                                                                                               |              |

Note: 1. Report to be sent on a daily basis to [purchase@modiproperties.com](mailto:purchase@modiproperties.com) and [report-audit@modiproperties.com](mailto:report-audit@modiproperties.com). 2. Report must be prepared during pour and not later. 3. Report must be sent within one working day. 4. Multiple report can be sent for one PO. 5. Weigh all vehicles. 6. 6 cubic meters vehicle should have a net weight of 14,110 kgs @ 2,400kgs/m3. If the shortfall is more than 50 kgs per load purchase to debit supplier shortfall amount on pro-rata basis. 7. Site to calculate shortfall. 8. Maintain original report + weighment slips + pour reports + test reports + photographs at site.
