Sir,

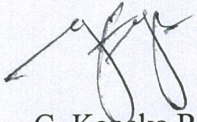

Our accountants and consultants are busy with GSTR9, ROC and IT returns filing upto 31/10/19. Please grant us time to provide required details up to 4th November, 2019.

Please note that Nilgiri Homes is the only project developed by Modi and Modi Constructions. It was fully completed 2013 and a certificate from Chartered Engineer was obtained certifying the completion of project. Therefore all sales of villas do not attract service tax or VAT as the sales are of fully completed immovable property.

There is neither an element of service or works contract in sales of the flats post completion of project.

Thank You.

Yours sincerely,

G. Kanaka Rao.
