ES BANK

Sub: Important Update Regarding Your Current Account No: XXXXXXXXXXXX2820

Dear Customer,

We would like to thank you for banking with us and we truly appreciate the trust you have reposed thus-far in YES BANK.

We would like to take this opportunity to draw your attention to the guidelines issued by the Reserve Bank of India dated 06 Aug 2020 titled "Opening of Current Accounts by Banks - Need for Discipline" (RBI (DOR.No.BP.BC/7/21.04.048/2020-21and on April 19, 2022 titled Consolidated Circular on Opening of Current Accounts and CC/OD Accounts by Banks ("RBI guidelines"). The RBI guidelines require banks to monitor current accounts regularly, at least on a half-yearly basis, specifically with respect to the aggregate exposure of the banking system to the borrower, and the bank's share in that exposure, to ensure compliance with instructions in the circular. Kindly visit the RBI website at

Based on the above guidelines, we have reviewed the status of all our customer relationships and during that exercise, we noticed that you are holding current account/s other than CC/OD with our Bank. Your account status with the Bank therefore does not strictly fall-under the stipulated criteria, as mentioned in the RBI guidelines (relevant Extract appended):

No bank shall open current accounts for customers who have availed credit facilities in the form of cash credit (CC)/ overdraft (OD) from the banking system and all transactions shall be routed through the CC/OD account.

Given the need to expeditiously regularize your account in line with the RBI guidelines, we would be glad to work along-with you to close the Account and transfer the closure proceeds therein into the CC/OD account held with us. Our team will work closely with you to ensure a streamlined internal transition.

Kindly note that, in the unfortunate event that we are unable to mutually arrive at an appropriate solution by December 20, 2022 we would, in order to comply with RBI's guidelines, be required to take necessary steps such as close the said Account or restrict transactions therein, including disabling of all facilities viz. Cheque Book, ATM/Debit Card, Net Banking, Standing Instruction, ACH etc. This would also mean that any Cheques/SI/ACH etc presented thereafter would need to be returned unpaid (with no liability on the Bank). The CC/OD account held with us will continue its normal operations.

While we will get in touch with you on this matter, should you require any clarification at any time, kindly feel free to get in touch with your Relationship manager / nearest Branch or call us at Toll free no - 18001200 or mail us at yestouch@yesbank.in to help us curate the most suitable solution and offerings.

It has been a privilege for us to have been your 'Banker of Choice' thus-far and we sincerely hope that we are able to mutually agree on a 'regulatory compliant' solution to ensure continuance & further build a long-term banking relationship with you.
