Sir,

Sub:- Request for monthly consumption bill as per meter reading of Accts. - F1-10795
to Viswajit Castings, Azamabad - Reg.

It has been observed that the monthly consumption of Electricity Bill of Ac No. F1-10795 of this work shop is not being received at our office. But the bills are being paid regularly by us after obtaining a cash memo slip from your office.

Earlier the consumption meter was burnt and the bills were paid by us with out any meter readings. The new meter has been replaced on 03/12/1994 since the old meter was burnt.

It is requested to send consumption bill every month ^{to} the address said above.

Thank You.

Yours faithfully,
for VISWAJIT CASTINGS & ENGINEERING WORKS.
