Dear Sir,

Currently our industry at 1-7-1054, Azamabad, Hyderabad is not under production at the movement. For such time we request you to hold the electricity charges to the minimum. Once we commence production you can charge as per the normal rate. The Accounts Officer, G.R.C. Mint Compound has asked us to get a letter from you stating that there is no power consumption on a large scale.

Kindly issue a letter in favour of Accounts Officer, G.R.C. that there is no power consumption at our industry on a large scale.

Thank You.

Yours Sincerely,
For VISHVAJIT CASTING AND ENGG. WORKS
