To

Sri Laxmilal Pitti,

Sub: Amambad Industrial Area, Hyderabad.

Ref: Several telephonic talks.

Your nephew Shri Sharad Pitti has telephoned me and wanted me to give my consent for renewal of S.S.I. Registration of M/s. HYDERABAD LAMINATION & STAMPING. On informing him that I will need consent of my partners and Shri Laxmilal Pitti, he got annoyed saying that he can not tolerate any one doubting his intentions. If some body does it he will see to it that he will never vacate till 10 more years to come. He had followed up his threat by sending a telephonic threat through one Shri Samarlal Sharma. Shri Sharma informed that he is speaking from Badrivisital Pitti's office. He is entrusted with the job of getting the S.S.I. Registration. He again insisted on our giving the consent. On telling him that let Laxmilalji talk to us in this connection. He got wild and started abusive language content of which in nut shell is that he shall see to it that our lease with the Government is cancelled.

In addition to this there is an advertisement in the name of M/s. Hyderabad Lamination & Stampings in Deccan Chronicle dated 15th August 1982 on page 11th indicating that the firm is either using its present unit also as a PICKLE godown or is proposing to do so in case his S.S.I. Registration runs into difficulties.

Thus the situation here is ~~moving~~ turning from bad to worse. It is high time that instead of your sitting on fence and allowing the thing to drift, you

and take it's own course

should come down and sort out the matter amicably
in the interest of one and all.

Thanking You,

Yours faithfully,

(SATISH KONDZ)

C.C.to Dadaji Shri Pannalai Pitti.,

Respected Dadaji, we expected to start our venture
with your blessing and good wishes, when we had
negotiated with you the transfer of lease in our
favour, even after over one and half years, we are
facing the unpleasant situation stated in this
letter. We trust that you will do the needful
and see the transaction through in the spirit in
which it was entered into. We seek your good
offices in addition to your blessing and good
wishes in solving the problem. In our opinion it
is more an internal family problem for which we are
put to hardship and lot of inconvenience.
