Dear Sirs,

Please refer to your telex message dated 29.4.86 regarding export of Hand Pump & Spares to Ghana Water and Sewerage Corporation, Accra.

We have been in touch with the Ghana Supply Commission who have assured us of their intentions towards the establishment of Letters of Credit soon in your favour. The delay, however, is due to changes in budget estimates of the Corporation.

Hopefully, in this context, you may be hearing from them shortly.

Yours faithfully,

Sanjay Singh

Dear Sir,

Thank you for your letter of 22 April 1987 concerning Mr Mahesh K Desai's submission of a paper for our 1988 Rio Congress.

I am sorry to say that as the deadline for receipt of synopses for the Congress was 1 March this year, I cannot accept such a late submission from Mr Desai.

However, it would be possible for me to include Mr Desai's name on the programme as a Discussor at the Congress. In this capacity he would be able to speak from the floor on any of the papers to be presented (provided that he completes the Discussion Slips available in the Congress Halls and notifies the Chairman of the Session of his wish to speak), and could take an active part in the Congress.

I hope this might prove an acceptable solution to Mr Desai, as I have no wish to diminish his interest in participating but unfortunately I am not able to extend the deadline for papers.

With kind regards.

Yours faithfully,
