CHIEF COMMERCIAL MANAGER'S OFFICE,

No. C. G. 105/21/36.

Secunderabad, D/.....193 .

To,

Dear Sir,

Re: Industrial Development in Hyderabad State.

Your letter dated.....

Several plots of 5 acres and 1-2 acre are available for sale in the Industrial Area, Mushirabad, situated between the cities of Hyderabad and Secunderabad, at varying prices between O. S. Rs. 1,500 and O. S. Rs. 3,000 per acre; the cost of the main road frontage plots being Rs. 3,000 per acre; as will be seen from the plan of plots reproduced on the reverse. A rental proposition at 5 to 6% of the capital cost would probably also receive favourable consideration. The development of this area is being energetically pursued by H. E. H. the Nizam's Government. The advantages of sites in this area are manifold; efficient and economic facilities exist for the transport and delivery of raw materials and the expeditious despatch of manufactured products through the out-agency opened in the area by H. E. H. the Nizam's State Railway; electric power is supplied to the factories in this area at a specially cheap rate of O. S. anna 1 and pies 4 per unit (9 pies for night shifts) and special rates will be quoted to consumers who merit individual consideration on specific grounds; water supply is abundant, necessary sanitary and drainage arrangements exist; in most cases access to coal, cotton, oil seeds and other raw materials is easy and inexpensive while the proximity of 2 large cities of Hyderabad and Secunderabad ensures an adequate supply of labour both male and female, as well as convenient markets for the disposal of manufactured commodities with minimum transport costs.

2 There is no income-tax. Customs duties are nominal and you may, if necessary, obtain particulars in regard thereto from the Commissioner of Customs, Hyderabad.

3. The cordial co-operation of various departments of H. E. H.'s Government (Commerce & Industry, Agriculture etc.) is assured in any investigation you may wish to undertake prior to coming to any decision in the matter of erection of factories etc. in this area. If you are interested in starting any industries in the State, please apply for advice and assistance to:—

The Secretary,

DEPARTMENT OF COMMERCE & INDUSTRY,

H. E. H. the Nizam's Government,

HYDERABAD (Deccan).

Yours faithfully,

for Chief Commercial Manager.

TERMINATION OF LEASE ON GOVERNMENT LANDS: GO ISSUED

By a Staff Reporter:

HYDERABAD, August, 17th
1988

The Minister for Finance, Mr. P. Mahendranath told the Assembly today during question time that the State Government had issued instructions to concerned officials to terminate leases on the Government lands and to either dispose them off in public auction or self them at prevailing market prices.

Replying to a question put by Mr. M. Omkar and others, he said that a Cabinet Sub-Committee headed by Minister for Law H.B. Narse Goud had been constituted to go into all aspects of these matters which would submit its report before the commencement of the next Cabinet meeting.

Mr. Ch. Vidyasagar Rao (BJP) said that the former Revenue Minister Mr. N. Sreenivasul Reddy assured the House that the encroachment on the Government land made by the management of Hotel Banjara would be cleared but nothing had been done so far. He said that the lake besides the hotel should be restored to the Government management.

The Minister said this matter came to his notice just now and assured to take suitable action in the matter.

Mr. Ch. Vithal Reddy (CPI) pointed out that several former Congress-I Ministers and Legislators were given Government lands on nominal lease and they have constructed pucca houses. Mr. Reddy wanted the Government to constitute a House Committee to go into all these irregularities. The Minister said that the Cabinet Sub-Committee would go into all these matters and submit its report to the Government.

Leasing out of Government lands in Twin Cities
to be stopped

Newstoday

HYDERABAD:-

The State Government has decided to stop leasing out Government lands in the twin cities, the Finance Minister Mr. P. Mahendranath, told the Legislative Assembly on Wednesday.

Replying to Mr. M. Omkar (MCPI) and nine others during question hour, the Minister said it was also decided not to extend the lease for government lands, given during the Congress regime, beyond the specified 30 years.

He said that a cabinet sub-committee was appointed in 1987 to review the lease of all government lands given in the state capital and other towns. He said the Sub-Committee headed by the Law and Courts Minister, Mr. H.B. Narse Goud, would submit the report in the next cabinet meeting. He said the State Government has decided to auction lands on completion of the lease period.

(contd.2...)

Mr. Mahendranath said he would table the details regarding all persons who obtained the government lands on lease. The Opposition Members said that some influential persons have obtained the government lands for nominal fees on lease during the Congress period and subsequently constructed permanent residential and other structures. As the Minister did not reply to the question whether the government would acquire the houses constructed in the lands given on lease, the Speaker Mr. C. Narayana Rao intervened to state that the Government could also possess the permanent structures raised on these lands.

Mr. Mahendranath said that 3,309 people were given tenancy rights on the government lands in the State Capital. Mr. Vidyasagara Rao (BJP) wanted the State Government to cancel the lease of the lake adjoining the Banjara Hotel as at least 10 people have drowned in it.

STATEMENT OF OBJECTS AND REASONS

The erstwhile Nizam's Government selected and established an industrial area at Mushirabad, known as Industrial Area, Azamabad, Hyderabad, and the said area was developed into plots of different sizes with infrastructure facilities and leased out to various persons intended to set up industries on long leases upto 99 years.

2) The Industrial Area, Azamabad, Hyderabad, is the most valuable urban industrial area and real estate property belonging to Government situated in the heart of Hyderabad city.

3) The highly appreciated land value due to large scale development of industrial and commercial activity in the Industrial Area, Azamabad, Hyderabad, over the last three to four decades resulted in trading in prime industrial land belonging to Government by some lessees/occupants.

4) It has come to the notice of the Government that in some cases there was no activity and even where there was little activity it was carried on only in the interest of retaining possession of plots or portions of plots. In some cases, the lessees/occupants resorted to sub-letting the Government land at high rents and making money over it. In certain cases, portions of plots are left unutilised because there was no burden on the lessees/occupants as the rent being paid to the Government is very low. Certain lessees have constructed residential quarters and some others are carrying on warehousing activity in the plots leased to them for specified industrial use. Certain others are adopting dubious methods of transfer of lease hold property by admitting partners under disguised partnerships. Some lessees/occupants are resorting to legal cover, resulting in long drawn litigation when corrective measures are taken by the Government.

5) Thus, the very objective with which the Industrial Area, Azamabad, Hyderabad, was developed and leased to different industrialists at low rents for long periods upto 99 years for industrial purpose is being defeated and an unlawful real estate activity has set in.

(PTO).

6) The Government is not in a position to resume the land in the hands of erring lessors/occupants even in cases of gross misuse and violation of terms of lease or other arrangement due to lacuna in the executed lease deeds as also, adoption of different formats of lease deeds over a period of time with varying terms and conditions and also due to long drawn civil litigation that is resulting in during the course of curbing misuse and violations including irregularities.

7) The Government has been sustaining considerable recurring loss in the absence of necessary provisions in certain lease deeds for revision of rates of premium and quit rent that is reasonably due to the Government for the plots leased out.

8) In the circumstances, it is felt necessary, in public interest, to make a law for the termination of all existing leases or other arrangements made or entered into in respect of the demised plots in the Industrial Area, "Zamabad, Hyderabad, and

(a) to curb misuse, unauthorised use of Government land, other irregularities, violations and to prevent/stop non-industrial use including unauthorised constructions etc.

(b) to regulate the leases afresh, as may be decided by the Government, with such uniform terms and conditions including reduced lease period and revised rates of premium and quit rent and adoption of standard format of lease deed,

(c) to ensure optimum utilisation of existing infrastructure facilities and securing proper management of the valuable real estate urban property of the Government.

9) In order to mitigate inconvenience or hardship caused to the lessees due to premature termination of lease, it has also been decided to pay a suitable solatium.

10) This Bill seeks to give effect to the above decisions.
