I am submitting an explanation to your letter referred above as under:
You have given us the above referred letter with all false allegations and averments. As a matter of fact M/s.Everest Automobiles has not taken the above said premises on lease from M/s.Vishwajit Castings as shown by you. Whatever M/s.Vishwajit Castings is doing with the above mentioned premises is not our concern. I have no knowledge of whether any officer came to the said premises on 10/5/94. Further, on inquiry I came to know that the above mentioned premises bearing plot no.26/2 in Industrial estate of Azamabad, Hyderabad was leased out to M/s.Vishwajit Castings for 99 years by the Government.

When M/s.Everest Automobiles has not taken the said premises on lease the question of vacating the premises does not arise.

Therefore you are requested to refrain from further action on the said letter.

Thanking you.

Yours Truly

PANKAJ DAYA.
