

Government of Andhra Pradesh

S. AZMATULLAH, B.Sc., B.Ch.E.,
M.I.E., A.M.I.I.Ch.E.,
Joint Director (A&M).

OFFICE OF THE COMMISSIONER
OF INDUSTRIES: A.P.: HYD.

D.O.Lr.No.1069/ULC/ dt.8-4-1983.

SUB : Bharat Heavy Plates & Vessels Ltd.-
Visakhapatnam - Requirement of land for
building complex in Twin Cities of Hyderabad
and Secunderabad - Regarding.

REF : Read Govt. D.O.Lr.No.528/ID/82-2,
dated 12-11-1982.

Your are kindly aware that M/s Bharat Heavy Plates & Vessels Ltd., Visakhapatnam have decided to set up their office at suitable location in the twin cities of Hyderabad and Secunderabad. Government have already requested you to locate suitable land for this purpose.

The Chairman, Bharat Heavy Plates & Vessels Ltd., recently met Addl. Director of Industries and mentioned that in the absence of identification of land for this purpose, the whole programme is getting seriously set back. He also mentioned that, we are likely to loose setting up of this office in our State, if we do not identify suitable land for this purpose. While we have made an effort to identify land for the proposed complex in areas adjacent to industrial activity. But unfortunately all our efforts have failed. Moreover, the Chairman desired that the location of their building complex should be somewhere between Erramanzil and Begumpet. These are extensively residential areas, where the industries department has not control. We therefore look forward to your kind efforts, so that we may not loose the opportunity of setting up of an important complex in Andhra Pradesh, which will result in several other developmental activities.

Additional Director, Industries is desirous to discuss this issue with you and I shall be thankful, if you could kindly indicate a suitable date and time in the 3rd week of this month, so that the matter could be discussed and further action taken.

With

Yours Sincerely,
Sd/-
(S. AZMATULLAH)

To
Sri D.Murali Krishna, I.A.S.,
District Collector,
Hyderabad.
