This has a reference to the letter cited wherein
you have submitted a proposal for setting up an industry.

In this context, I would like to know the following
information in order to examine your representation:

1. To submit a detailed scheme indicating the
manner and mode of training for ITI boys so that
the same may be examined by the General Manager
(SES) of this Department.
2. Whether it is possible for that to identify the
land near by the Labour colony in Twin cities and
whether you are willing to bear the cost of land
as you have agreed for the expenses of construc-
tion of building.

An early reply is solicited in the matter.

Yours faithfully
