Letter No: 14099/IAA/81, dated 22-12-1982.

Sir,

Sub:- Permission to start ware housing and transport
Industry on the lease hold plot--Reg.
Ref:- Your Letter No. nil dated 20.10.1982.

As seen from the letter cited above it has been noticed that one combined plan was filed for plot Nos. 26/2, 27/1 to 27/3 in the Municipality in the name of Sri Lakshmilal P-Pitti as the owner which is incorrect as he is no more a lessee having transferred the lease-hold rights and the lease deed executed by you. You are advised to send the following particulars:-

1. APGST assessment orders for the last 2 years.
2. The plan indicating the proposed construction within the plot allotted to you with details.
3. Purpose for which the additional construction is intended.
4. Source of finance for the said purpose (whether any proposal is pending with Financial Institutions? If so the details.)
5. Whether the existing built up area is fully utilised by you for Industrial purpose.

Yours faithfully,

Sd/-

K. Sree Rama Reddy,
Regional Development Officer.
