ASSESSMENT YEAR :: 2018-2019
SCHEDULE "K":
Notes to Accounts

1) Significant Accounting Policies

a) Accounting Conventions

The accounts have been prepared using historical cost conventions and on the basis of going concern with revenues recognized and expenses incurred on accrual basis unless otherwise stated.

b) Use of Accounting Estimates:

The preparation of the financial statements in conformity with the generally accepted accounting principles requires that the management makes estimates and assumptions that effect the reported amounts of assets & liabilities as at the date of the financial statements. The reported amount of revenues & expenses during the reported period, actual results could differ from the estimates.

c) Inventories

i) Land is stated at cost.

ii) Building construction work is stated at cost including estimated profits declared year to year till completion of the project.

d) Revenue Recognition:

Revenue from property development activity which are in substance similar to delivery of goods is recognized when all significant risks and rewards of ownership in the land and/or building are transferred to the customer and a reasonable expectation of collection of the sale consideration from the customer exists.

Revenue from these property development activities which have the same economic substance as that of a construction contract is recognized based on the 'Percentage of Completion method' (POC).

The revenue is recognized where the progress on the project has reached to a reasonable stage of 25% completion. The work percentage of work completion is determined with reference to the proportion of project cost incurred for work performed upto the balance sheet date bear to the estimated total cost of each project.

The estimated cost and revenue are reviewed by management periodically and effect of any change in such estimates is recognized in the period in which such changes are determined.

Interest is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.

A handwritten signature in black ink, consisting of a series of loops and a long horizontal stroke at the end.

e) **Fixed Assets:**

Fixed Assets are stated at historical cost net of tax / duty credit availed, if any. Cost comprises the cost of acquisition / construction and any cost attributable to bring the asset to its working condition for its intended use.

f) **Depreciation:**

Depreciation on Fixed assets is provided on W.D.V. method at the rates and in the manner specified under I.T. Act/Rules.

g) **Borrowing Costs:**

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs which are not attributable to any fixed assets are charged to the Profit and Loss account.

h) **Provisions:**

Provisions are recognized when there is a present obligation as result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a realizable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet Date.

i) **Contingent Liabilities:**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the controls of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimated of the amount cannot be made.

The percentage of work completed under the project upto 31-3-2018 is 84.64%. Which is determined with reference to the proportion of project cost incurred for work performed upto Balance Sheet date bear to the estimated total cost of project. The details of revenue recognized and cost recognized accordingly is as under:

Revenue Recognized	Rs.75,30,79,895/-
Cost recognized	Rs.32,38,05,663/-
