VERIFIED PETITION

It is submitted that the above case was returned by the registry with office objections by giving 10 days time to comply with the same. After collecting the bundle from the registry by my clerk, he kept the same in the office for complying the same. But the same was misplaced in the disposed of bundles. He could not trace the same immediately. However, he could trace it and complied with the objections raised by the registry. In the process the occurred a delay in representing the above case. The delay is neither willful nor wanton but for the reasons mentioned supra. If the delay is not condoned, we will suffer irreparable loss and injury.

For all the reasons stated supra, it is prayed that this Hon'ble court may be pleased to condone the delay of (4) days in representing the above case in AS (SR) No. 9016 of 2015 and pass such other or further orders.
