### Notes to the financial Statements for the period ended 31st March 2022

### 2. Significant Accounting Policies

### a. Basis of Preparation of Financial Statements.

### Basis of Accounting

The financial statements have been prepared to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention except for certain Fixed Assets which are carried at revalued amounts. The financial statements are presented in Indian rupees rounded off to the nearest rupee.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for

the change in accounting policy explained below..

### Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

### b. Property, Plant and Equipment

Tangible Fixed Assets are stated at cost, less accumulated depreciation and impairment losses, if any. Cost comprises of the purchase price (net of inputs taxes paid) and any attributable cost of bringing the asset to its working condition for its intended use..

### c. Depreciation / Amortisation

Depreciation on fixed assets is calculated on written down value basis using the useful lives as prescribed under the Schedule II of the Companies Act, 2013.

Type of Assets	Period
Land	30 Years
Building	30 Years
Plant and Equipment	15 Years
Furniture and Fixtures	10 Years
Vehicles	10 Years
Office equipment	5 Years
Computers	3 Years

The standard of the standard o

### Notes to the financial Statements for the period ended 31st March 2022

### d. Employee Benefits

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, expected cost of bonus, etc., are recognised in the period in which the employee renders the related service

Post-Employment henefits (Defined Contribution Plan):

The State governed provident fund scheme, employee state insurance scheme and employee's pension scheme are defined contribution plans. The contribution paid/payable under the scheme is recognised during the period in which the employee renders the related service.

### e. Borrowing Cost

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs which are not attributable to any fixed assets are charged to the Statement of Profit and Loss Account.

### f. Investments

Current investments are carried at lower of cost and quoted/fair value, computed category wise. Long term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary.

### g. Revenue recognition

Revenue is recognized on accrual basis to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sales are recognised when significant risks and rewards of ownership are transferred to the buyer, which generally coincides with the dispatch of the goods from the company's premises, and are recorded at the invoice value inclusive of excise duty, Central Sales Tax and are net of Value Added Tax / Service Tax/Good and Service Tax and adjustments on account of returns / cancellation.

### Notes to the financial Statements for the period ended 31st March 2022

### h. Taxation

Current Tax on income for the year is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on expected outcome of assessments / appeals.

Deferred tax assets and liabilities are recognised for future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax base. Deferred tax assets are recognised subject to management's judgement that realisation is virtually certain that such deferred tax assets can be realized against future taxable income. Deferred tax assets and liabilities are measured using enacted tax rates applicable on the balance sheet date. The effect on deferred tax assets and liabilities due to change in tax rates is recognised in the income statement in the period of enactment of the change.

### i. Foreign currency transactions

Foreign Currency transactions are accounted at the rates prevailing on the dates of the transactions. Foreign Currency monetary assets and liabilities are translated at the exchange rates prevailing on the Balance Sheet date. The exchange differences on settlement/conversion are adjusted to:

a) Cost of Fixed assets, if the foreign currency liability relates to fixed assets.

b) Profit & Loss A/c in other cases.

Wherever forward contracts are entered into, the differences are dealt with in the Statement of Profit & Loss over the period of the contracts.

### j. Inventories

The Inventory is valued on the following basis

i) Raw Materials : At Weighted Average Cost

ii) Finished Goods : At the lower of cost and net realizable value. Cost

comprises of cost of materials, conversion cost and

excise duty wherever applicable.

iii) Scrap/Waste : At net realizable value.

iv) Stores and Consumables : At cost

### k. Provisions, Contingent Liabilities & Assets

A provision is recognized when it is probable that an outflow of resources will be required to settle an obligation, in respect of which a reliable estimate can be made.

The Company does not recognize a contingent liability, but disclosesits existence by way of notes in the financial statements.

Contingent assets are neither recognized nor disclosed in the financial statements.

### Notes to the financial Statements for the period ended 31st March 2022

### 1. Cash & Cash Equivalents

Cash & Cash Equivalents stated in the Statement of Affairs/Cash Flow normally comprise of Cash at Bank and in Hand and Short - term Investments with an original maturity period of less than or equal to three months.

### m. Current & Non-Current Assets

All the assets / liabilities that are receivable / repayable within the Company's normal operating cycle of 12 months have been considered as 'Current'.
