Sri. Sri.Sharad J Kdokia has applied for Borewell permission in R/o H.No.Plot
No.24, Seetharam Nagar Diamond Point Hotel Opposite, Tirumalagiri Secunderabad for
domestic use which is verified vide reference 2nd found feasible for digging of Borewell.

Therefore, you are hereby permitted to dig a Borewell in the above premises,
subject to following conditions.

1	That the sink of well is restricted to total depth of 115 meters through hand pump / Electric Motor pump to (1) H.P with a 4 ½” dia. If deviated from the said diameter the Borewell permission is liable for rejection and will be seized under APWALTA Act.
2	The well should not be used for drawing water for any other purpose other than applied for.
3	The withdrawal of water should be regulated and no wastage of water should be done.
4	The utilized water should be recycled as prescribed for recharging the Ground Water.
5	Structure should be constructed for harvesting rain water in the vicinity of the well.
6	The utilization of water will be subject to the regularization from time to time based on its extraction of water from the well.
7	This digging permission will not confer any right or title of ownership over the land.
