Qualification / Education :	D.C.E.
Years of Experience in relevant field:	18years.
Expected gross salary:	41%
Justification for increase:	Now a Days a Lot of Prices Increasing in Daily needs, I am Doing a lot of Hardwork in this Relevant Field, last year also there is no Increase in Salary, we have find out that there is no Increment will be given in QC dept, now this time I have a Health Issues also, I need Money to overlook my Health and my Family. Even tough MD Sir has promised to give QC Incentives also, but till now a Single Rupee was not given me. Already a Lot of Projects were Completed, a no of Team members also Shifted to other Sites, but still there is no Movement in Incentives. See I have only Hope of this Job, and There is no Property also for me to get other source of Income. I am totally Depends on this Salary only. So Please do Increase My Salary.
Complaints & suggestions:	If chance is there shifted me to Site as a Engineer, Management should look into Innocent people who doing work very Hard, A Management should Not Judge from whom we get work , to them only Increase the Salary. Some PM's getting Increasing Salary without any Bending their BackBones. That is not at all good, behind Them there are some Engineer's were doing very very Hardwork for them there is no such Increments.
Suggestios:-	In this Covid-19 situation also our Company doing very well in Sales, like that Only in coming Days also I am Hoping that same Result will come. One more Suggestion is that Y not Sanitizers will keep across all Sites, Because now a Days a lot of Covid Cases were Increasing. Instead of keeping Finger Bio-Metric, Y not keeping ID Card as a Bio-Metric Attendance.
Thanking You.
