MINIMUM CHARGES:

20. The Customer states that it has not yet gone into production. The Customer promises to send to the J.E.T.L. its industrial effluent for treatment as per Clause 6 of this Agreement. The J.E.T.L. has, basing on this promise, reserved the required part of its treatment capacity for the Customer. And the Customer in turn agrees to pay ₹ 350/- (Rupees Three Hundred and Fifty only) per each tanker stipulated in Clause 6 till such time that it goes into production & starts sending its industrial effluent to the J.E.T.L.
21. The Customer has agreed to send only small quantity of effluents (about 1 tankers) per day/month to the J.E.T.L. as per Clause 6. Since the treatment company is extending treatment facility for small quantity the Customer agrees to pay treatment charges at 1.5 times the normal charges payable as per Clause no. 19 herein above. The Customer agrees to pay ₹ 750/- (Rupees Seven Hundred and Fifty only) to the J.E.T.L. for every tanker it fails to send as per Clause 6. This clause is applicable to Customers committing to send only 5 tankers or less per month.
22. The Customer has agreed under Clause 6 to send 1 tankers per day/month. The Customer hereby agrees to pay the treatment charges as per Clause 19, 19(A), 19 (B), 19 (C), 19 (D) and 20 for each tanker of industrial effluent treated. The Customer also undertakes to pay a minimum of ₹ 750/- (Rupees Seven Hundred and Fifty only) for each tanker it fails to send as agreed in Clause 6.
23. The Customer states that under the concerned environmental laws in force, it has become obligatory on its part to have its industrial effluents treated and processed by J.E.T.L.
24. The Customer states that the investigation conducted by the Customer has established that it is most economical for it to have its industrial effluents treated and processed by the J.E.T.L. than have it done somewhere else.
25. The Customer for avoiding pollution by the discharge of industrial effluents has examined possibilities of having its industrial effluents treated at its factory site and found it was physically and economically not viable. The Customer states that this is the reason, which prompted it to become the member of J.E.T.L. and enter into this Agreement by which it is undertaking to send its industrial effluents to be treated and processed by the J.E.T.L.
26. J.E.T.L. after the necessary treatment discharges the treated effluents being received from Customers into the dedicated conveyance pipeline which ultimately joins the sewers of Hyderabad Metropolitan Water Supply & Sewerage Board (HMWS & SB). HMWS & SB in turn is levying a charge as well as

surcharge for permitting the discharge of so treated industrial wastewaters. J.E.T.L. reserves the right to levy the discharge charges/surcharges levied by HMWS & SB on its Customers. The Customer agrees to pay the discharge charges/surcharges from time to time and the Customers also undertakes to make good of any charges/surcharges that may be revised by HMWS & SB, APPCB or any other authority from time to time.

1) FOR COD = ((TOTAL COD AMOUNT - (No. of TANKERS X ₹ 900/-)) X 250%

2) BASIC CHARGE FOR HYDRAULIC LOAD

COD	TDS	AMOUNT ₹
UPTO 2500	UPTO 2000	250/-
UPTO 2500	2001 – 5000	350/-
2501 & ABOVE	UPTO 5000	450/-

In case the charges/surcharges are being paid by the J.E.T.L. with retrospective effect, J.E.T.L. will raise the Invoice/Debit Note for such charges on the Customers and the Customers undertake to pay the same immediately.

27. That the J.E.T.L. reserves to itself the right to revise the charges for treatment of industrial effluents in future and the same shall be binding on the Customer. J.E.T.L. and the Customer agrees that depending on the cost of operations, J.E.T.L. may revise the treatment charges, additional charges towards TDS, Rejected Tankers, Minimum Charges or any other charges that may become applicable and the Customer agrees to pay the same.
28. The J.E.T.L. and the Customer state that the J.E.T.L.'s sole object is to prevent environmental and pollution hazards and for the observance of the laws on environmental and pollution control. Membership in J.E.T.L. is with the object of extending assurance to the Customer by the J.E.T.L. on a priority basis. The Membership is part of the consideration for the services rendered by the J.E.T.L.
29. The J.E.T.L. shall not be liable in any manner if for any negligence or otherwise of the Customer the untreated industrial effluents are discharged at the factory site of the Customer or anywhere else by the Customer.
30. The Customer shall make good to the J.E.T.L. any loss or damage either pecuniary or non-pecuniary arising out of any civil or criminal proceedings or liability under any law.
31. Subject to Clauses 14 and 15 the J.E.T.L. reserves to itself the right to terminate the Agreement after giving one month's notice to the Customer if it is found that the Customer has violating the terms of this Agreement and that such termination shall not be subject to any arbitration nor shall be questioned in any Court of Law. In case of termination the Security Deposit of the Customer shall stand forfeited.

32. The Customer hereby undertakes to strictly adhere to the legislation relating to the Water Prevention and Control of Pollution Act, 1974 and Environment (Protection) Act, 1986 Air Pollution Act and other relevant and allied legislation and Acts, Rules Regulations and G.O.s, Notifications, Memos and Orders in force and/or brought into force by Government or regulatory authorities from time to time.

FORFEITURES

33. In case of failure of the Customer to send the specified number of tankers as per Clause 6 of this Agreement, the J.E.T.L. shall be at liberty to adjust from the Security Deposit amount due from the Customer.

34. The Security Deposit shall be forfeited by JETL, if the Customer fails to send for a continuous period of two months the tankers, which it has promised to send under Clause 6 of this Agreement.

PAYMENT:

35. The Customer shall pay the amount due once a month. The Customer shall pay the monthly amount due by it to the J.E.T.L. by the 15th day of the succeeding month. The Customer shall as a measure of collective responsibility pay to the J.E.T.L. and shall make good to it on a per tanker prorata basis the damages that J.E.T.L. is asked to pay by any Court of Law or due to out of Court settlement or by negotiation in respect of any claim against J.E.T.L. arising out of the harmful effects of the treated effluent.

ARBITRATION:

36. Subject to Clauses 14, 15 and 29 of this Agreement, any dispute arising from or under this Agreement or in respect of this Agreement between the Customer and the J.E.T.L. shall be referred to an Arbitrator mutually agreed upon by the Customer and the J.E.T.L.

JURISDICTION:

37. The J.E.T.L. and the Customer mutually agree that the only the Civil Court at Hyderabad /R.R. District shall have jurisdiction over all disputes arising out of this Agreement.
