Opinion

We have audited the financial statements of Serene Construction LLP, which comprise the balance sheet at March 31st 2024, and the profit and loss account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the entity as at March 31, 2024, and of its financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Subject: Engagement Letter for Statutory Audit under LLP Act, 2008 for FY 2023-2024

Dear Sirs,

1. Introduction

We are pleased to confirm our acceptance and understanding of our engagement to audit the financial statements of Serene Constructions LLP ("the LLP) for the financial year ending 31st March 2024. This letter sets out the detailed terms, objectives, and scope of our audit engagement, and clarifies the respective responsibilities of the auditor and management in relation to the statutory audit under the LLP Act, 2008.

Objective and Scope of the Audit

2.1 Statutory Audit under LLP Act, 2008

The primary objective of our statutory audit is to express an opinion on whether the financial statements of the LLP give a true and fair view of the financial position as on 31st March 2024, and of the financial performance and cash flows for the year then ended, in accordance with the applicable financial reporting framework. This audit will be conducted as per the provisions of the LLP Act, 2008.

Scope of Audit:

- **Risk Assessment:** We will perform risk assessment procedures to identify and assess the risks of material misstatement, whether due to fraud or error, and will design audit procedures responsive to those risks.
- **Internal Controls:** We will evaluate the design and implementation of internal controls relevant to the preparation and fair presentation of the financial statements, but this evaluation will not be for the purpose of expressing an opinion on the effectiveness of the internal controls.
- **Substantive Procedures:** We will perform substantive procedures including, but not limited to, analytical procedures, tests of details, and substantive tests of transactions to obtain sufficient appropriate audit evidence.
- **Evaluation of Accounting Policies:** We will evaluate the appropriateness of the accounting policies used, the reasonableness of accounting estimates made by management, and the overall presentation of the financial statements.

3. Responsibilities of the Auditor

- We will conduct our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). These standards require that we comply with ethical requirements, plan, and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement.
- Because of the inherent limitations of an audit, including the possibility of collusion or improper Management override of controls, there is an unavoidable risk that material misstatements due to fraud or error may occur and not be detected, even though the audit is properly planned and performed in accordance with the SAs.
- The audit shall be carried out in accordance with auditing standards generally accepted in India which includes an examination of evidence on a test check basis and having regard to the materiality of the items involved. Materiality is assessed based on both quantitative and qualitative factors.
- We will evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- The audit shall be carried out in accordance with auditing standards generally accepted in India, which includes an examination of evidence on a test check basis and having regard to the materiality of the items involved. Materiality is assessed based on both quantitative and qualitative factors
- In specific circumstances, when necessary to obtain specialized knowledge or expertise beyond accounting or auditing, we may engage an expert to assist us in the audit process. In such cases we will be relying upon the work performed by the expert (as stated under SA 620 - "Using the work of an Auditor's Expert"). The expert appointed by us will work under our direction and supervision and we will remain responsible for the audit opinion expressed.
- We will exercise professional judgment throughout the audit process, including in the identification and assessment of risks of material misstatement, and in the selection of audit procedures.
- We will maintain our independence and objectivity throughout the engagement, adhering to the Code of Ethics issued by the ICAI.
- Upon completion of our audit, we will issue an audit report expressing our opinion on the financial statements.
- Pursuant to the ICAI requirements, we are required to update certain relevant details of the operations of the Entity on the Unique Document Identification Number (UDIN) Portal of the ICAI for generating the UDIN, which is required to be stated on the reports issued by us.
- We will communicate with management and those charged with governance about significant audit findings, including any deficiencies in internal controls that we identify during the audit.

4. Responsibilities of Management

Our audit will be conducted on the basis that Management and, where appropriate, those charged with governance of the LLP, ('Management'), acknowledge and understand that they have responsibilities. These include:

- **Preparation of Financial Statements:** Management is responsible for the preparation and fair presentation of the financial statements along with adequate disclosures in accordance with the applicable financial reporting framework and generally accepted accounting principles. This includes:

 - Proper maintenance of accounts and other matters connected therewith;
 - The preparation of the financial statements in accordance with, the applicable accounting standards and providing proper explanation relating to any material departures from those accounting standards;

 - Taking proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of LLP Act for safeguarding the assets of the LLP and for preventing and detecting fraud and other irregularities;
 - Devising proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively; and

- **Legal Compliance:** Management must ensure compliance with all applicable laws and regulations.
- **Communication:** The Management understands and acknowledges that the electronic transmission of information via the internet or otherwise, has inherent risks. Unless otherwise agreed, despite the inherent risks the Management authorises us to

communicate electronically with all the concerned parties on all matters related to the engagement.

- **Representations:** Management is required to provide us with written representations regarding the completeness and accuracy of the information provided, and confirming that they have fulfilled their responsibilities for the preparation of the financial statements.
