Customer Convenience Package (CCP) Conditions & Coverage:
Customer Convenience Package (CCP) is an additional coverage provided by Maruti Suzuki India Ltd. ("MSIL"), extended to customers who subscribe/purchase extended warranty. The said package covers the repair/replacement cost of engine or its allied parts(s) which gets damaged owing to issues/defect arising due to water entry causing hydro lock or failure of engine parts due to use of adulterated fuel ("Incidents"), which are not covered under warranty or extended warranty. The coverages have been categorized as CCP Hydro and CCP Fuel. The incidents shall be covered under CCP only upon confirmation by MSIL, at its sole discretion.
Coverage: If any defect(s)/damage should be found in the engine of the vehicle, within the stipulated period mentioned in the certificate, attributed to water entry thereby consequent failure of hydro lock in engine or usage of adulterated fuel or both (as may be applicable), MSIL's only obligation is to repair or replace at its sole discretion, the engine or its allied parts, shown to be defective, with a new part or the equivalent at no cost to the owner for parts or labour. Such defective parts, which have been replaced, shall become the property of MSIL. The owner is responsible for any repair or replacement on payment basis that are not covered under the CCP.
Eligibility period:

* CCP can be purchased from PMS 30 to PMS 100 within 10 years from vehicle date of sale ("CCP with PMS").

* CCP with PMS can be purchased within 7 days of PMS 30 - PMS 100 Job Card billing.
* Customer having active CCP - Benefits can be availed for additional 12 months or 10,000 km (whichever is earlier) over and above the existing period and mileage.
* Customer not having active CCP - Benefits can be availed only after completion of 15-days period from the purchase of the CCP for 12 months or up to 10,000 km (whichever is earlier).

Note - Benefits can be availed as per the validity period mentioned in the certificate.

Benefits would not be applicable in case of:

- Default in getting the vehicle serviced as per the inspection and maintenance schedule as mentioned in the Owner's Manual and Service Booklet.
- The vehicle being used for competition or racing or speed testing or otherwise not permitted under law.
- The vehicle has met with any accident.
- The vehicle has been modified or altered, including without limitation, the installation of performance accessories.
- The vehicle has been fitted with any parts or accessories not approved by MSIL.
- The vehicle has been assembled, disassembled, adjusted or repaired by any dealer/ service station not authorized by MSIL.
- The vehicle has been used for purpose other than what it was designed.
- Any defect other than engine damage owing to hydrostatic lock or adulterated fuel, caused due to misuse, negligence, abnormal use, insufficient care, abuse, flooding or fire.
- Any damage or deterioration caused by other Acts of God.
- Insufficient defects which do not affect the function of the vehicle including without limitation, sound, vibration and fluid seep, etc.
- Any natural wear & tear including without limitation, aging etc.
- Vehicle is retrofitted with LPG & CNG kits.
- Any vehicle on which the retro - fitment is not authorized and/or type approved as per the standards prescribed by the relevant authority including but not limited to Automotive Standards of India.
- Any vehicle on which the retro - fitment is such which directly or indirectly causes any damage to the vehicle or affects the functions of the vehicle in any manner whatsoever.
- The customer has availed insurance facility for the incident with the insurance service provider.

A. CCP Fuel terms and conditions

- In case of suspected fuel adulteration case, sample of fuel would be collected by the authorized workshop and would be sent to MSIL approved Fuel testing agency for necessary inspection and confirmation. Upon receipt of confirmation of fuel adulteration from the said fuel testing agency, requisite replacement or repairs of engine parts and other allied parts, as deemed necessary by the workshop, would be carried out in the vehicle.
- Cases of wrong fuel filling (Diesel instead of Petrol and vice versa) will not be covered under the CCP.
- Benefits under CCP package can be availed only once during the period (as mentioned in the certificate). Upon claiming benefit under the CCP package during the validity period, the CCP shall stand concluded/terminated for the remaining period and no further claims can be made thereunder.
- Additionally claim against damages caused due to rodent or insect bite can be availed once anytime during the validity of the CCP (as mentioned in the certificate).

B. CCP Hydro terms and conditions

- In case of suspected hydro lock case, the engine would be dismantled by the authorized workshop for inspection and confirmation of water entry. Upon confirmation of symptoms of water entry and hydro lock in the engine, requisite replacement or repairs of engine parts and its other allied parts, as deemed necessary by the workshop, would be carried out in the vehicle.
- Only engine components (including consumables like Coolant, Engine oil) to address failures/damage arising out of water entry in the engine shall be covered under the CCP. No other component shall be covered.
- Claims under CCP package can be availed only once during the validity period (as mentioned in the certificate). Upon claiming benefit under the CCP package during the validity period, the CCP shall stand concluded/terminated for the remaining period and no further claims can be made thereunder.
- Additionally claim against damages caused due to rodent or insect bite can be availed once anytime during the validity of the CCP (as mentioned in the certificate).

C. CCP Plus terms and conditions: It includes coverage of both CCP Hydro and CCP Fuel, terms and conditions remain same as mentioned in above points A and B. For the sake of clarity, one Hydro, one Fuel and one rodent or insect bite claim can be availed during CCP validity period.

D. Disclaimer of consequential damage:

MSIL assumes no responsibility for loss due to unavailability of vehicle, loss of time, inconvenience or any other indirect, incidental or consequential damage resulting from the vehicle not being available to the owner because of any defect covered under this CCP.

E. How to avail benefits under CCP:

In the event of the occurrence of any concern or breakdown owing to the incident, the owner must:

- Immediately take all steps necessary to minimize the extent of loss.
- The owner shall bring the vehicle without delay, to the nearest MSIL authorized workshop at his own cost to effect repair and to apprise the workshop about the CCP.
- Understand that the cost of dismantling and repairing the vehicle if the cause of the breakdown/concern is not covered under CCP. The owner is responsible for paying for any other work that the owner desires to be carried out in the vehicle which is not covered under CCP.
- Any information or record, must be made available to the workshop personnel, as and when sought.

F. Vehicle owner responsibilities:

- The owner shall not use the vehicle in a damaged condition and report the same immediately to the nearest MSIL authorized workshop, this would result in early inspection and repair of the vehicle and any possible harm to the person or aggravation of damage to the vehicle can be prevented.
- The owner must apprise the workshop regarding a valid CCP being purchased by the customer.
- Cancellation of CCP with PMS: CCP cancellation is not permissible after the CCP start date. CCP will get cancelled automatically on cancellation of Job Card tax invoice before the CCP policy start date. There will be an administrative fee of 10% of CCP basic price for CCP cancellation. Also, tax amount collected during CCP sale will not be refunded. In case the Job Card Tax Invoice is cancelled after CCP start date, there will be no refund and the CCP will also be cancelled automatically.
- Renewal of CCP: CCP renewal is allowed from 60 days before the CCP expiration date or 2,000 km before the expiry mileage, up until the actual expiry date or mileage, whichever comes first.

Note: MSIL reserves the right, at its discretion to change, modify, add or remove any of these terms, at its sole discretion at any time. Please check these terms and conditions on the official website of MSIL, periodically for changes.
