

Sub: Shipping a Jimny Car

Date: 01-08-2024

Prepared by: Jai Kumar

Shipping a car like your Jimny from Hyderabad to ^{pincode} Imphal and back can be handled by professional vehicle transport services. Here are a few steps you can take and some contacts to consider:

Steps to Follow:

1. Research Car Transport Companies:

- Look for companies that specialize in car transport across long distances. Ensure they have good reviews and a track record of reliable service.

2. Get Quotes:

- Contact multiple companies to get quotes. Make sure to ask about the total cost, any hidden fees, insurance coverage, and the time it will take for the car to be transported.

3. Check Insurance:

- Verify that the transport company offers insurance to cover any potential damages during transit.

4. Prepare Your Car:

- Clean your car, remove all personal items, and take photos for documentation before handing it over to the transport company.

*Note: If we pay advance 5,000, final amount will be 45,000

* **Cloth Sheet, LED/LCD Box, Perfect Box and other material is the property of Agarwal Packers and Movers Limited (APML). It should be returned back to APML after unloading on the same day. Any detention for whatever reasons will be an unauthorized act inviting appropriate actions.**

- * The locking/Unlocking of machines/appliances and any other electronic gadget which requires the technical assistance of manufacturer or their authorized dealer, to make them suitable for safe transport must be arranged by Client/the transporter at least 24 hours before the packing starts. The Client is most essential as these appliances are covered either by warranty or service contract.
- * All Electronic items/computers are packed on an as is where is basis. As such company does not accept any liability whatsoever for any defect / malfunctioning if any, at the destination.
- * Client must arrange for the disconnection of all electrical equipments and appliances prior to the commencement of packing.
- * In case of Car/Bike Transportation, Registration book, Tax book, PUC certificate and valid comprehensive insurance policy will be required en route and must be handed over prior dispatch.
- * In case of Car movement, 16 ltrs. Petrol/Diesel must be available in the car (in case of excess fuel, it will be drained out for safety purpose). This fuel is required to run vehicle up to the ramp point and in the same way from ramp to client door. The distance may go up to 70 + 70 = 140 Kms. For location's where car carrier cannot travel, vehicle will be road driven by a skilled driver, the distance in such a case may come up to 250 to 300 Kms.
- * In case of Motor Bike movement, there should be no fuel in the vehicle. If there will be any fuel then the same will be drained out at the time of loading.
- * M/s Agarwal Packers and Movers Limited (APML) will not be held responsible for any delay in delivery due to factors beyond its control like natural calamities, strike, accidents etc.
- * While we will arrange for the movement of potted plants it will subject to the availability of space in the truck, please note that carriage of potted plants will be done solely at Owners risk.

TRANSIT RISK COVERAGE

Despite best efforts, damages may happen to the consignment due to the geographical terrain of the country. So we always try to elaborate our clients on the risk coverage booking of APML and recommend them to pay risk coverage cheque for their consignment.

- * Transit Risk Coverage is arranged for HHG @ 3.00% and for Car @ 1.50% of the total declared value.
- * Client must record proper value in the Inventory Sheet. The Inventory sheet will be treated as a final document in claim settlement, if any.
- * In case of minor and repairable damages, the client need to initially give a claim letter and quotes for repair estimates from an authorized vendor to process the risk coverage claim.
- * Any claim should be intimated and lodged within 72 hours of delivery of the goods. In case of Car/Bike, claim should be intimated and lodged within 12 hours.
- * In case, risk coverage is not opted for, then a declaration form needs to be signed by you. In such a case all items of the consignment including Car/Bike will be transported at owner's risk for which no claim will be entertained at a later.
- * The carrier or it's agent shall be exempted from any loss or damage through accident/pilferage, fire/rain/collision/any other road or river hazard, we therefore recommend that goods should be covered under carrier risk by paying additional charges as FOV. No individual policy/receipt from insurance co. will be given. APML will only issue GCN under Carrier Risk, (Section 11, Carriage by Road Act, 2007).
- * In case of Car/Bike or other articles only exterior damages will be entertained, no claim will be paid for any internal or mechanical fault.
- * Goods Forwarding Note, being the statutory document, contained terms and conditions, in detail for transportation of HHG.
