Dear Sir,

With reference to your discussion had with our Saibaba Sir, we have rechecked our costing and give hereunder our **NO REGRET PRICE:**

**Rating: 01 No. 1250 KVA, 11/0.433 KV, Cast Resin (Dry Type) Transformer with On Load Tap Changer (Air break type Innovative Solution make of OLTC, 100 Amp.) + RTCC + AVR, %Z – 5.00% (IST). , ECBC Losses.**

**The break-up of price as below:**

| Sr. No. | Items                                                                                                                      | Qty. /Nos. | Price / Unit           |
|---------|----------------------------------------------------------------------------------------------------------------------------|------------|------------------------|
| 1.      | 1250 KVA, 11/0.433 KV, Cast Resin (Dry Type) Transformer with On Load Tap Changer (OLTC) + RTCC + AVR, <b>ECBC Losses.</b> | 01 No.     | <b>Rs. 32,00,000/-</b> |
| 2.      | Fright & Insurance upto Hyderabad                                                                                          | 01 No.     | <b>Inclusive</b>       |
| 3.      | 18% GST Extra                                                                                                              |            | <b>Rs. 5,76,000/-</b>  |
| 4.      | Total                                                                                                                      |            | <b>Rs. 37,76,000/-</b> |

The above price is inclusive of Packing & forwarding and Freight & Transit Insurance Charges but exclusive of GST. GST will be charged extra ruling at the time of despatch. The present Rate of GST is 18%.

- 1. Routine Test:** We will carry out Routine Test as per IS-11171, prior to despatch at our works free of cost.
- 2. Type/Special test:** We have not considered any Type/Special test in our Scope.
- 3. Spares:** We have not considered any Additional / Recommended spares in our offer.
- 4. Payment terms:** our existing terms i.e. 30% advance along with order and balance 70% with taxes at after inspection but Before Dispatch against submission of Proforma invoice.
- 5. Delivery: Ex-works 12-14 Weeks** from the date of drawing approval and unconditional manufacturing clearance.

**6. Freight & Insurance charges:** Freight & Transit Insurance Charges upto Hyderabad.

**7. Unloading & Erection:** Not in Voltamp Scope.

**8. Supervision of testing & commissioning:** We will provide Supervision of testing & commissioning for **1 day per transformer free of cost** and any additional man days will be charged at an extra cost @Rs. 20,000/- per man days exclusive of GST.

**9. Warranty:** The Transformers supplied by us will be warranted for any manufacturing defect for **12months** from the date of commissioning or **18months** from the date of despatch, whichever is earlier.

**10. Validity:** Our offer will remain valid till **30.07.2025**.

**Note:**

1. Our scope is limited to Design, Manufacturing, Routine Testing as per IS-11171 at our works and supply of Transformer. Loading of Transformer at our works would be done by us.

2. Unloading, Dragging, Positioning, Erection, Cable laying, termination, Commissioning & Testing at site is NOT in Voltamp scope.

**Order to be placed in the name & address as below:**

M/s. Voltamp Transformers Limited

Makarpura, N.H.No.8

Vadodara 390 014 (Gujarat)

All other terms will be the same as per our offer under reference (**Our Ref: VTL/S.O/ECBC/ALH/075/B/KH Wednesday, July 16, 2025**) and subsequent correspondence thereafter.

We hope you will find our offer in-line with your requirements and look forward to receiving your order at an early date.

**Thanks & Regards,**
