Updating this review after 2 years of worst experience in dealing with Modi Properties

Was very excited when we booked the apartment and coordination from sales team was equally good. Gradually realised the real problem of delay in handling over, lack of coordination amongst site team, sales team and almighty customer care team of Rambabu

Post that it has just been pathetic with poor construction quality, rework, Poor security, daily Safety and maintenance issues.

We are not getting any permanent resolution from Modi properties or association. Association is managed by Modi properties only inspite of >70% flats sold and >2 years of occupancy by most of residents. They have site team which is not able to take any decisions.

Requesting Modi Properties to help with resolution at earliest
