Dear Soham Sir,

Towards the unloading of the tiles as per the circular is Rs. 0.75 paisa per sft for lead distance of 25 ft. But at site as per MOM we have to unload tiles at the lower basement. The lead distance is 250 ft from UB ramp entrance. The labour are asking for Rs. 3.00 per sft. After negotiation they have agreed for Rs. 2 / -

Total quantity - 10075 sft

As per circular rate - $0.75 \times 10075 = \text{Rs. } 7,556=00$
Asking rate - $2.00 \times 10075 = \text{Rs. } 20,150=00$

Please advice

Regards:

K. Narendra Reddy
