Sir,

I have visited Silver Oak Bungalows plot no 200 A, along with Mr Chandrakant.
Upon verification it is found that the

owner has purchased the adjoining land on the eastern side and constructed a
boundary wall. He has also
removed that boundary wall dividing these two plots with the permission from
the Association. I spoke to
the secretary to confirm the same & he confirmed. It is also found that the
access for the newly acquired land is also
from within the plot no 200 A and there is no separate access.

Submitted for your kind information and further advise if any please.
