Dear Sir,

Greetings from Paramount Avenue..!!!!

With reference to the personal (Secretary, President & Treasure) discussions had with you & your team on 06.08.2019 at Paramount Avenue Site Office, as discussed we would like to present the issues over email as you said.

At play area the whole wire got burnt due to continues rain and water stagnated at play area.

We request you to please look in the same and do the needful.

Thanks in advance,

With warm regards,

PAOA-EC Members.
