Subject: Thank you from PMR

Dear Mr. Modi-

We at PMR express our gratitude to you for your continuous co-operation and support in building the Naala in PMR. We are happy to report that we have been able to fulfill our commitment to you about bearing the labour and equipment charges even when the actual costs of our share went overboard by about twice the projected costs.

There are a few final touches that are pending for completing the Naala and we request that they are looked at and are completed expeditiously.

We also humbly request you to consider extending a similar co-operation with regard to building the broken walls opposite to A Block and in the Basketball Court as it would help in security of the premises as well as appreciate the value of the society.

We are ready to step forward and bear the expenses like we did with the Naala and we hope you can also come forward. Kindly let us know if you'd like to discuss this further. Thank you once again for your attention to this matter.

Best Regards
Rajesh Pedapudi
Secretary - PMROA
