Subject: Regarding AC Copper Pipe in Library of Clubhouse PMR II

Reply-To: "Pmr ." <pmr@modiproperties.com>

Prabhakar

As we have ordered 2 ton AC for Library of PMR II in 1st Floor the outdoor unit need to be placed in terrace were for that reason we require to add the copper piping and 3 core wire. The length of the copper pipe and wire is coming around 15 Meter were it costs as follows

1. Copper Pipe 15 mts=15@ Rs.750/meter = Rs.11,250.00/-
2. 3 Core Copper Wire 15 mts = 15 @ Rs.150/Meter = Rs.2,250/-

Total Rs.13,500/- for 2 ton Ac Installation

look into the issue and take approval from MD Sir.

Regards,

K Shirish Kumar
