Dear Gentleman,

You are very well aware that your business construction ventures of your Residential Apartment in our Shilpa Nager Colony, has damaged the Roads due to plying of heavy commercial vehicles for transportation of Construction Materials, like Concrete Ready mixtures, Steel, Sand, etc.. to your construction site.

While transporting these construction materials in your heavy commercial vehicles has damaged the roads of our Shilpa Nager Colony and this issue was brought to your concern and to your executives repeatedly and in response you have given us assurance at every occasion that you will get all the roads get relaid the damaged roads at the appropriate time. During all these period we were patience and tolerance and co-operated to your construction. It is understood that your Projects are in final stages of completions, so, it is right time for us to remind you about your assurances given to us for fulfilling it. We thank you for initiating for laying of damaged roads from Sai Shukla Colony and your initiation of laying of road halted half way, We request to complete the remaining stretch of road to 60' feet Road.

We collectively all colonies residents i.e. Shilpa Nager Colony, Sangamitra Colony, Sai Shukla Colony, Lavanya Enclave & Prashant Nager Colony, are looking forward to fulfill your committed assurances of laying of roads. We all hope you will fulfill your assurances at the earliest and relive us from suffering while moving on the roads.

Your laying of roads will give us peace and safety to our residents, your early completion will be highly appreciated of good gesture to all our all colony residents.

Thanks with regards
Yours Truly

(I. Sanjay)
