Subject: information regarding job work payment

Job work sheets have been made without mentioning the quantity of work and the rate prescribed. Accounts has been advised to collect the information for such job works before payment are made – for the last week. Details of quantity, approximate rate must be provided to estimate the value of job work. However, engineers are free to fix a lumpsum amount which may be more than or less than the estimated amount. Job work details sheet must contain such an estimate or payment will not be released.

Jaya Prakash has been asked to send job work sheet nos. to each site and engineer shall provide the required information by 12 noon on Monday.
