Subject: No Service of Roots Machine at Site PMR II

Dear Mr. Muneer,

This is in follow up regarding the service of roots machine at site, Paramount estates, for which we have been repeatedly calling up for the past fortnight.

A complaint has been registered to the effect vide number STO19341.

During every call, a new excuse is being given adding up to further delay of the service.

Even today, the service schedule was postponed to tomorrow due to some vague reason.

The service personnel, Mr.Ranganayakulu, is asking me to be patient on this issue, while he has been sitting on the service request.

Request you to consider this, and send across the personnel to sort this out.

Regards,
K Shirish Kumar
