**MAINTENANCE**

Our quotation includes charges towards maintenance for **Twelve months**. The period of this maintenance shall commence from the date of completed installation and handing over of the lift. The date of commencement of this service shall remain firm irrespective of any delay in building completion, availability of permanent power supply, inspection, taking over or commencing use of the elevator.

Maintenance will consist of regular checkups and other necessary adjustment and lubrication of the equipment by trained and competent personnel under our direction and supervision. The required supplies and parts will be provided except such parts as may be necessary due to negligence, misuse or accidents not attributable to the manufacturing deficiencies of the product. Upon your request, special inspections will be carried out should trouble develop between regular inspections and you agree to notify us promptly of any such trouble. All work will be performed during our regular working hours of our regular working days except for emergency and minor adjustment callback service which will be provided during regular working hours and also during any overtime hours. No work or service other than the specifically mentioned is included or intended under the terms and conditions of this contract.

It is agreed that you shall continue to be the exclusive owner of the equipment and thereby the possession or control thereof.

We shall not be liable for any loss, damage, or delay due to any cause beyond our reasonable control including but not limited to acts of government, strikes, fire explosion, theft, floods, riots, civil commotion, war, malicious mischief or act of God. Under no circumstances shall we be liable for consequential damages

**PREPARATORY WORK****You Agree at Your Cost:**

- 1 TO FURNISH within two weeks (or sooner if required) from the date of acceptance of this proposal, all required data for the performance of this contract.
- 2 TO DESIGN AND FURNISH a properly framed and enclosed legal elevator hoistway /structure which shall withstand the forces and loads resulting from use of the elevator. The hoistway should be lighted and be treated and painted to minimize the accumulation and circulation of dust.
- 3 TO provide an elevator pit of appropriate depth below the lowest landing and, if required, suitable drains and waterproofing.
- 4 TO provide AND INSTALL necessary hoistway, architraves, brick fascias/steel.
- 5 TO ensure all painting except of elevator material.
- 6 TO perform all cutting of walls, floors or partitions together with any repairs made necessary thereby, including grouting of all bolts, sills, members indicator and button boxes etc., in position
- 7 TO provide required power at the top floor landing terminating in suitable main switches for power and light circuits with circuit breakers, suitable earthing leads to top floor landing (refer layout) and other electrical protective devices necessary to meet legal code requirements.
- 8 TO provide light outlet point at the middle of the hoistway and a light point in the pit.
- 9 TO arrange, during the erection, electric power of the necessary characteristics to provide illumination and for operation of tools and hoists if required and current for starting, testing and adjusting the elevator.
- 10 TO GUARD AND PROTECT the hoistway.
- 11 TO COMPLETE all work in such time as not to delay our work.
- 12 TO undertake the responsibility in whole or in part to pay and bear pro-rata expense of electric current, or expenses of any nature relating to the rest of the building and other contractor's work (unless provided for herein).
- 13 TO PAY all fees that may be required in connection with the erection or preparation of the structure in which the elevator equipment is to be erected, including any general permit/certificate fees, usually billed by Governmental agency directly to the owner also including license fees for the installation or inspection of the elevator equipment
- 14 TO PROVIDE suitable weatherproof lockup storage accommodation of approximately 50 Sq.M. per elevator with electric lights for elevator materials at the ground floor level near the hoistway. This should be available well before the arrival of the materials.

**CONDITIONS OF CONTRACT**

1. This Quotations shall remain valid and effective for 30 days from the date of proposal and thereafter shall be subject to change without notice.
2. The agreed contract price shall be valid for **52 weeks** from the date of your acceptance of this proposal. Should the said period be extended beyond this stipulated time due to (i) non- payment of the agreed amount as per clause 5 below; and / or (ii) due to non-submission of data or approved drawings required for the manufacture of the elevator as per clause 4 below ; and / or (iii) delay in completion of the hoistway and machine room, we will submit for your acceptance the revised price prevailing on the date of such quotation and on its acceptance by you, we will programme the supply and installation of the equipment. In the absence of your acceptance of the revised price and payment of any additional advance that may become due, we may at our option, cancel the order with a cancellation charge of 10% of contract value.
3. The adjustment in price resulting from tax variation or imposition of fresh taxes (**including but not limited to GST**) included in this proposal may be claimed by us as soon as the amount thereof is ascertainable and shall be payable on demand.
4. You agree to furnish us, within two weeks from the date of this agreement, all required data for the performance of the contract. You agree that the hoistway structure along with preparatory work shall be ready and the proper electric power available in suitable place by the required date, after which we are to have their uninterrupted use for installation and adjustment of the elevator(s). If you cannot provide electric power by the required date and the installation of the equipment has been completed, you shall take over the elevator(s) and make payments as they fall due for payment in accordance with clause 5 below. Any delay due to this shall result in automatically extending the contract completion period accordingly.
5. Payment shall be made pro rata basis per elevator as follows: 30% of contract value with your acceptance of this proposal, 60 % of contract value before scheduling of materials and the remaining 10% of contract value on commissioning or within 30 days of Otis's readiness to commission the equipment with the further provision that if we are delayed by any cause beyond our control, the final 10% will be paid to us within 90 days from the date the materials are ready for dispatch. Partial supplies when made shall be payable on pro rata basis as above. Any payment made after the due date shall bear late payment charges from such date at the rate of 1.5% per month or part thereof which you agree and will not be disputed later for justification. We reserve the right to dispose of the equipment or to discontinue our work or to withhold the release of completed elevator(s) at any time until overdue payments, with late payment charges, shall have been made as per the terms and conditions and we have assurance satisfactory to us that subsequent payments will be made as they fall due. We shall resume the work subject to our other manufacturing and / or erection commitments or schedules at that time. Provided that, this will in no way relieve you of your liabilities and obligations under this Contract. Any delay due to this will automatically extend the contract completion period correspondingly. Handing over shall be subject to receipt of final payment & on unit wise basis.
6. It is agreed that our workmen shall be given a safe place to work and we reserve the right to discontinue our work in the building whenever, in our opinion, this provision is being violated.
7. Unless otherwise agreed, it is understood that the work will be performed during our regular working hours of our regular working days. If overtime work is mutually agreed upon and performed, an additional charge therefore, at our usual rate for such work, shall be added to the contract price.
8. Force majeure: Under no circumstances shall either of us be liable for any loss, damage or delay due to any cause beyond your/our reasonable control, including but not limited to lack of shipping space, embargoes, acts of any Government, strikes, lockouts, fire, accident, explosion, flood, riots, civil commotion, war, malicious mischief, delays in supplies of raw materials and components at our Works due to any or all of the reasons, such as energy crisis, electricity cut, rail/road transporter's strike, go slow, bandhs, non-availability of essential raw materials ( iron and steel, pig iron, aluminium, copper, silver, brass, stainless steel, various alloys, electrical grade steel, etc.), act of God or of the State's enemies, or act of third party. Delay resulting from any cause beyond your/our reasonable control shall extend the time for completion of the work and the commencement of the free maintenance period. If for any such reasons, we cannot supply the equipment covered by this contract within **weeks** from the date of your acceptance of this proposal, we may, at our option, cancel the contract without being liable to pay any damages or compensation. Under no circumstances, shall either of us be liable for special, indirect or consequential loss or damages of any kind.
9. The title to each elevator shall pass to you when all payments for such elevator are received. We shall retain the right to lien and the right to retake possession of the elevator or any part thereof at your cost in the event of any default of the payments, irrespective of the manner of attachment to the realty, the acceptance of notes, extension of time for payment, or any security which we might hold, or the sale, mortgage or lease of the premises. This will be without prejudice to our right to recover the unpaid amounts and interest by any means or process or proceedings whatsoever. We shall be entitled to recover from you legal expenses incurred in collecting payments hereunder.
10. This contract shall be deemed to be an indivisible works contract.
11. Defect liability period: We hereby guarantee the material supplied and the workmanship of the elevator(s) under this contract for a period of 18 months from the date of initial supply of materials or 12 months from the date of completion of each elevator, whichever is earlier, and we will rectify and make good any defects, not due to ordinary wear and tear, improper use, or lack

of care, which may develop during this period. This guarantee (a) does not extend to consequential loss and/or damages and (b) is null and void in case of tampering and/or if maintenance, repairs and modifications are carried out by unauthorised persons.

12. We shall not be required to install or alter any equipment requested by Government Authorities at their discretion and not specifically incorporated in the local codes. However, such changes as well as changes in local codes after the date of this proposal if feasible, will be undertaken by us at extra cost.
13. If there are any changes, modifications, additions, deletions or extras to the scope of work outlined in this proposal, which are agreed to by us in writing, then, in such event, the contract price and the delivery period will be adjusted accordingly on mutually agreed terms and conditions.
14. This contract being an indivisible Works Contract, any packing cases, or left over materials or tools tackles, instruments, etc. brought to site are and shall remain our property. We reserve the right to sub-contract the work as and when we deem fit.
15. If any descriptive matter, drawings or illustrations brochures are furnished with our proposal, they are approximate and submitted only to show the general style, arrangement and dimensions of the machinery offered.
16. The equipment offered by us has been described in our attached specifications and complete equipment will be supplied and installed as per standard Otis design, manufacture and practice. In case of any variation between your specifications, terms and conditions and our quotation/specifications/correspondence, the latter shall prevail.
17. If materials supplied by us, whether installed or not, are required to be reconditioned/replaced at a later date due to delay on account of (i) non availability of power supply or other incomplete work by you, (ii) force majeure conditions, (iii) non – payment of dues, the related cost shall be payable by you on demand.
18. Presently we have our manufacturing unit in Karnataka. Based on the technical specifications of the said contract and depending on availability and feasibility of transport or material, Otis at its sole discretion will source the material either from its factory and/or any other source anywhere in India and/or from overseas and hence we will not be in a position to furnish the duty payment details in respect of the bought out and imported materials.
19. If you cancel the contract and/or commit a breach of contract and or contract remains dormant for     weeks     from signing the contract, we shall be entitled to claim damages and/or compensation, including the costs of the materials and loss of profits/administrative expenses actual or at the rate of 10% of the value of the contract, whichever is higher.
20. All disputes, differences and claims whatsoever which shall at any time arise between the parties hereto or their respective representatives concerning this contract and all other documents in pursuance hereof as to the rights, duties, obligations or liabilities of the parties hereto respectively by virtue of this contract shall be:
  - a) referred to senior managers of both the parties. If the parties fail to arrive at an amicable settlement and resolution of the issues then it.
  - b) Shall be referred to Arbitration in accordance with the provisions of the Arbitration and Conciliation Act 1996 as amended from time to time. Such arbitration proceedings will take place in Bengaluru \* only, and shall be subject to jurisdiction of the Courts in Bengaluru.
21. The amount /advance paid as per the terms of contract, will be subject to lien and apportionment over the expenses of the contract by OTIS, subject to condition that same has to be informed to the PARTY in writing. The PARTY agrees that the decision of OTIS will be final in this regard and the party agrees that the same will not be challenged on any legal grounds.
22. This proposal when accepted by you and approved by our authorized official shall constitute the entire contract between us and all prior proposals, quotations, agreements, understandings, representations and arrangements not incorporated herein are superseded.
23. Any change in the terms and conditions of the contract after signing, shall be valid and binding only if the same are in writing and signed by authorized person from Head office of Otis situated in Mumbai.
24. It is agreed that the aggregate liability of Otis, whether under law or contract (including for third party claims) shall be limited to 25% of the Contract Value
25. The contract would be deemed to be concluded at Hyderabad \*, after allocation of contract number by Otis.

**MAINTENANCE**

Our quotation includes charges towards maintenance for **Twelve months**. The period of this maintenance shall commence from the date of completed installation and handing over of the lift. The date of commencement of this service shall remain firm irrespective of any delay in building completion, availability of permanent power supply, inspection, taking over or commencing use of the elevator.

Maintenance will consist of regular checkups and other necessary adjustment and lubrication of the equipment by trained and competent personnel under our direction and supervision. The required supplies and parts will be provided except such parts as may be necessary due to negligence, misuse or accidents not attributable to the manufacturing deficiencies of the product. Upon your request, special inspections will be carried out should trouble develop between regular inspections and you agree to notify us promptly of any such trouble. All work will be performed during our regular working hours of our regular working days except for emergency and minor adjustment callback service which will be provided during regular working hours and also during any overtime hours. No work or service other than the specifically mentioned is included or intended under the terms and conditions of this contract.

It is agreed that you shall continue to be the exclusive owner of the equipment and thereby the possession or control thereof.

We shall not be liable for any loss, damage, or delay due to any cause beyond our reasonable control including but not limited to acts of government, strikes, fire explosion, theft, floods, riots, civil commotion, war, malicious mischief or act of God. Under no circumstances shall we be liable for consequential damages

- 1 TO FURNISH within two weeks (or sooner if required) from the date of acceptance of this proposal, all required data for the performance of this contract.
- 2 TO DESIGN AND FURNISH a properly framed and enclosed legal elevator hoistway /structure which shall withstand the forces and loads resulting from use of the elevator. The hoistway should be lighted and be treated and painted to minimize the accumulation and circulation of dust.
- 3 TO provide an elevator pit of appropriate depth below the lowest landing and, if required, suitable drains and waterproofing.
- 4 TO provide AND INSTALL necessary hoistway, architraves, brick fascias/steel.
- 5 TO ensure all painting except of elevator material.
- 6 TO perform all cutting of walls, floors or partitions together with any repairs made necessary thereby, including grouting of all bolts, sills, members indicator and button boxes etc., in position
- 7 TO provide required power at the top floor landing terminating in suitable main switches for power and light circuits with circuit breakers, suitable earthing leads to top floor landing (refer layout) and other electrical protective devices necessary to meet legal code requirements.
- 8 TO provide light outlet point at the middle of the hoistway and a light point in the pit.
- 9 TO arrange, during the erection, electric power of the necessary characteristics to provide illumination and for operation of tools and hoists if required and current for starting, testing and adjusting the elevator.
- 10 TO GUARD AND PROTECT the hoistway.
- 11 TO COMPLETE all work in such time as not to delay our work.
- 12 TO undertake the responsibility in whole or in part to pay and bear pro-rata expense of electric current, or expenses of any nature relating to the rest of the building and other contractor's work (unless provided for herein).
- 13 TO PAY all fees that may be required in connection with the erection or preparation of the structure in which the elevator equipment is to be erected, including any general permit/certificate fees, usually billed by Governmental agency directly to the owner also including license fees for the installation or inspection of the elevator equipment
- 14 TO PROVIDE suitable weatherproof lockup storage accommodation of approximately 50 Sq.M. per elevator with electric lights for elevator materials at the ground floor level near the hoistway. This should be available well before the arrival of the materials.
- 15 TO PROVIDE and maintain adequate safety and security measures as also retain Otis safety infrastructure to prevent any injury to third party or damage, theft or pilferage of material during storage, erection period and until the elevator is handed over.
- 16 To provide hoisting hooks in the ceiling as per the arrangements shown in the equipment layout, that will support the loads indicated. These hooks must be certified for the loads indicated.
- 17 Provide a niche at the top portion of hoistway as indicated in the GA drawing.
- 18 TO PROVIDE acceptable living accommodation (complete with light, running water & sanitary facilities) for our erection crew at or near to site.
- 19 TO INDEMNIFY and save us harmless against all liability arising out of your failure to carry out and comply with any of the foregoing requirements.

**CONDITIONS OF CONTRACT**

1. This Quotations shall remain valid and effective for 30 days from the date of proposal and thereafter shall be subject to change without notice.
2. The agreed contract price shall be valid for **52 weeks** from the date of your acceptance of this proposal. Should the said period be extended beyond this stipulated time due to (i) non- payment of the agreed amount as per clause 5 below; and / or (ii) due to non-submission of data or approved drawings required for the manufacture of the elevator as per clause 4 below ; and / or (iii) delay in completion of the hoistway and machine room, we will submit for your acceptance the revised price prevailing on the date of such quotation and on its acceptance by you, we will programme the supply and installation of the equipment. In the absence of your acceptance of the revised price and payment of any additional advance that may become due, we may at our option, cancel the order with a cancellation charge of 10% of contract value.
3. The adjustment in price resulting from tax variation or imposition of fresh taxes **(including but not limited to GST)** included in this proposal may be claimed by us as soon as the amount thereof is ascertainable and shall be payable on demand.
4. You agree to furnish us, within two weeks from the date of this agreement, all required data for the performance of the contract. You agree that the hoistway structure along with preparatory work shall be ready and the proper electric power available in suitable place by the required date, after which we are to have their uninterrupted use for installation and adjustment of the elevator(s). If you cannot provide electric power by the required date and the installation of the equipment has been completed, you shall take over the elevator(s) and make payments as they fall due for payment in accordance with clause 5 below. Any delay due to this shall result in automatically extending the contract completion period accordingly.
5. Payment shall be made pro rata basis per elevator as follows: 10% of contract value with your acceptance of this proposal, 50 % of contract value before scheduling of materials , 30% On Material at Site and the remaining 10% of contract value on commissioning or within 30 days of Otis's readiness to commission the equipment with the further provision that if we are delayed by any cause beyond our control, the final 10% will be paid to us within 90 days from the date the materials are ready for dispatch. Partial supplies when made shall be payable on pro rata basis as above. Any payment made after the due date shall bear late payment charges from such date at the rate of 1.5% per month or part thereof which you agree and will not be disputed later for justification. We reserve the right to dispose of the equipment or to discontinue our work or to withhold the release of completed elevator(s) at any time until overdue payments, with late payment charges, shall have been made as per the terms and conditions and we have assurance satisfactory to us that subsequent payments will be made as they fall due. We shall resume the work subject to our other manufacturing and / or erection commitments or schedules at that time. Provided that, this will in no way relieve you of your liabilities and obligations under this Contract. Any delay due to this will automatically extend the contract completion period correspondingly. Handing over shall be subject to receipt of final payment & on unit wise basis.
6. It is agreed that our workmen shall be given a safe place to work and we reserve the right to discontinue our work in the building whenever, in our opinion, this provision is being violated.
7. Unless otherwise agreed, it is understood that the work will be performed during our regular working hours of our regular working days. If overtime work is mutually agreed upon and performed, an additional charge therefore, at our usual rate for such work, shall be added to the contract price.
8. Force majeure: Under no circumstances shall either of us be liable for any loss, damage or delay due to any cause beyond your/our reasonable control, including but not limited to lack of shipping space, embargoes, acts of any Government, strikes, lockouts, fire, accident, explosion, flood, riots, civil commotion, war, malicious mischief, delays in supplies of raw materials and components at our Works due to any or all of the reasons, such as energy crisis, electricity cut, rail/road transporter's strike, go slow, bandhs, non-availability of essential raw materials ( iron and steel, pig iron, aluminium, copper, silver, brass, stainless steel, various alloys, electrical grade steel, etc.), act of God or of the State's enemies, or act of third party. Delay resulting from any cause beyond your/our reasonable control shall extend the time for completion of the work and the commencement of the free maintenance period. If for any such reasons, we cannot supply the equipment covered by this contract within **weeks** from the date of your acceptance of this proposal, we may, at our option, cancel the contract without being liable to pay any damages or compensation. Under no circumstances, shall either of us be liable for special, indirect or consequential loss or damages of any kind.
9. The title to each elevator shall pass to you when all payments for such elevator are received. We shall retain the right to lien and the right to retake possession of the elevator or any part thereof at your cost in the event of any default of the payments, irrespective of the manner of attachment to the realty, the acceptance of notes, extension of time for payment, or any security which we might hold, or the sale, mortgage or lease of the premises. This will be without prejudice to our right to recover the unpaid amounts and interest by any means or process or proceedings whatsoever. We shall be entitled to recover from you legal expenses incurred in collecting payments hereunder.
10. This contract shall be deemed to be an indivisible works contract.
11. Defect liability period: We hereby guarantee the material supplied and the workmanship of the elevator(s) under this contract for a period of 18 months from the date of initial supply of materials or 12 months from the date of completion of each elevator,

whichever is earlier, and we will rectify and make good any defects, not due to ordinary wear and tear, improper use, or lack of care, which may develop during this period. This guarantee (a) does not extend to consequential loss and/or damages and (b) is null and void in case of tampering and/or if maintenance, repairs and modifications are carried out by unauthorised persons.

12. We shall not be required to install or alter any equipment requested by Government Authorities at their discretion and not specifically incorporated in the local codes. However, such changes as well as changes in local codes after the date of this proposal if feasible, will be undertaken by us at extra cost.
13. If there are any changes, modifications, additions, deletions or extras to the scope of work outlined in this proposal, which are agreed to by us in writing, then, in such event, the contract price and the delivery period will be adjusted accordingly on mutually agreed terms and conditions.
14. This contract being an indivisible Works Contract, any packing cases, or left over materials or tools tackles, instruments, etc. brought to site are and shall remain our property. We reserve the right to sub-contract the work as and when we deem fit.
15. If any descriptive matter, drawings or illustrations brochures are furnished with our proposal, they are approximate and submitted only to show the general style, arrangement and dimensions of the machinery offered.
16. The equipment offered by us has been described in our attached specifications and complete equipment will be supplied and installed as per standard Otis design, manufacture and practice. In case of any variation between your specifications, terms and conditions and our quotation/specifications/correspondence, the latter shall prevail.
17. If materials supplied by us, whether installed or not, are required to be reconditioned/replaced at a later date due to delay on account of (i) non availability of power supply or other incomplete work by you, (ii) force majeure conditions, (iii) non – payment of dues, the related cost shall be payable by you on demand.
18. Presently we have our manufacturing unit in Karnataka. Based on the technical specifications of the said contract and depending on availability and feasibility of transport or material, Otis at its sole discretion will source the material either from its factory and/or any other source anywhere in India and/or from overseas and hence we will not be in a position to furnish the duty payment details in respect of the bought out and imported materials.
19. If you cancel the contract and/or commit a breach of contract and or contract remains dormant for **24 weeks** from signing the contract, we shall be entitled to claim damages and/or compensation, including the costs of the materials and loss of profits/administrative expenses actual or at the rate of 10% of the value of the contract, whichever is higher.
20. All disputes, differences and claims whatsoever which shall at any time arise between the parties hereto or their respective representatives concerning this contract and all other documents in pursuance hereof as to the rights, duties, obligations or liabilities of the parties hereto respectively by virtue of this contract shall be:
  - a) referred to senior managers of both the parties. If the parties fail to arrive at an amicable settlement and resolution of the issues then it,
  - b) Shall be referred to Arbitration in accordance with the provisions of the Arbitration and Conciliation Act 1996 as amended from time to time. Such arbitration proceedings will take place in Bengaluru \* only, and shall be subject to jurisdiction of the Courts in Bengaluru.
21. The amount /advance paid as per the terms of contract, will be subject to lien and apportionment over the expenses of the contract by OTIS, subject to condition that same has to be informed to the PARTY in writing. The PARTY agrees that the decision of OTIS will be final in this regard and the party agrees that the same will not be challenged on any legal grounds.
22. This proposal when accepted by you and approved by our authorized official shall constitute the entire contract between us and all prior proposals, quotations, agreements, understandings, representations and arrangements not incorporated herein are superseded.
23. Any change in the terms and conditions of the contract after signing, shall be valid and binding only if the same are in writing and signed by authorized person from Head office of Otis situated in Mumbai.
24. It is agreed that the aggregate liability of Otis, whether under law or contract (including for third party claims) shall be limited to 25% of the Contract Value.
25. The contract would be deemed to be concluded at Hyderabad \*, after allocation of contract number by Otis.
