In order to resolve issues like non supply of water, cleaning of corridors etc., there is no co-opt member from B-Block and no body is coming forward and it is becoming very difficult to leave in flat without proper maintenance.

Hence Co-opt member from B-block may be appointed to resolve issues the following two members are willing to look into the matters and both may be appointed as co-op members.

- 1.K.Nagaraj Varma, B-303
- 2.Jaypal Reddy, B-401
