Subject: Loss of cycle

Co-opt Member / Sir,

My son cycle costing Rs.3,500 to 4,500/- has lost 3 months back. I informed Mr Rambabu but till know not traced out the cycle nor arranged amount. If I ask him he is telling that he will arrange my today evening or tomorrow. But not responding properly. Hence kindly arrange me to provide me the cycle cost from the responsible person.

Further I am to inform that, Security is very weak in our VISTA Homes there is no proper vigilance which leads to theft, murder for executing theft. This is very very serious issue. Hence informed to Builder to take severe action on this issue, otherwise our VISTA Homes residents may put to loss by theft, murder etc., in any way.
