Hyderabad

To

The Managing Director,

M/s Modi Properties & Investments Limited

Secunderabad

Sir,

Sub:- M/s VISTA Homes – Supply of Metro Water to the residents –
Requested – Regarding.

I would like to bring to your notice that all the residents of M/s Vista Homes are expressing their displeasure and anguish for non supply of municipal water. The water bores provided in the complex are not properly working and the water is being brought very often on tankers is a sign of future situation. Depending on the ground water alone is also not at all safety in the coming days. Moreover there are considerable number of water firms surrounding to M/s VISTA Homes which are drawing ground water in big way for commercial purpose. It is an alarming situation which effect on the ground water availability in the premises of M/s VISTA Homes.

Therefore, there is very much need of getting the municipal water connection to M/s VISTA Homes.

In this connection I also would like to inform that one of the resident of M/s VISTA Homes is happened to be the friend of a Director, Hyderabad Metropolitan Water Supply and Sewerage Board. When he contacted the Director, HMWSSB he was informed that there shall be an application for the connection from the Builder so that he will help for providing water connection within the frame work of their rules and regulations. AS ascertained, there is no application filed by the builder for the purpose of water connection to M/s VISTA Homes.

Therefore I request on behalf of all the residents of M/s VISTA Homes to file an application for the supply of Metro Water and take all the possible steps to provide municipal water immediately.

I look forward for immediate response in this regard.

Thanking You,

Yours faithfully
