Gaurang,

Treat this as a requisition for fire safety equipment. Ask the sites to give you a fresh req. no. See highlighted items - some changes have been made. GWE material can be ordered later. Give priority to MFH.

Soham

Project Managers,

Send an email cancelling the earlier requisition for the above materials. Mention req. no. and date.

Make a fresh requisition for misc items required from the list given at the bottom of each sheet.

Fire resistant PVC pipes to be used in place of MS conducting pipes.

Correct any errors in the list given here in.
