Sireesha Devi doesn't recommend **Modi Properties**.

We bought a Villa from Modi properties in 2016. Still the project is under construction.

Very poor quality of construction, there is no monitoring at all. Even a ordinary small builder will do better than this. They will not engage professional persons for monitoring of work. We lost our peace of mind after purchasing a house from modi properties.

We can not tell only one thing has to be improved in modi properties. Here everything has to be improved. Better do not buy any property from modi properties.

This is not only my personal experience, the whole community named as Nilgiri Estates is expressing the same opinion.

Do not opt modi properties by seeing reputation. I do not know what wonders they have done for gaining reputation but reputation does not work in our case.
