11/11/17 Contractor-Electrical asked me to inform you that our Engineers at Nidge Estate going to be at the contractors at Site. (N.C.S.)

12/11/17 Concerning the Boilers in time, For preparing a list of the Contractor has to sit full days along with engineers.

13/11/17 Went to for consultants are working to meet the Engineers (x) Engineers at site. ^{if} Contractor asking Engineer he said that, don't ask me, only Engineer should ask Engineer/Project Management Site. The Engineer ask Project Manager. They are asking money to work with accounts. Like this, many contractors are suffering, asking us to give correct information when should they ask.

14/11/17 At the problematic Site: Elan though when they are not getting payments, they are not paying the money. To avoid delay in work, there some supervisor they are helping in giving the material and work has to be paid for information.
