This is to inform you that on Saturday Mrs. Reshma, front desk executive went outside with office assistant with two tweeler without information to the Admin Manager. I went to Annojiguda to see the status of hoarding lighting work. While returning to site I have seen office assistant at the main road, I have asked him why he is standing on the road. He has told me that he is waiting for Mrs. Reshma. Then I have just came to the site. After coming to the site I am checking the QC files suddenly Mrs. Reshma came and started arguing with me for asking the office assistant why he is standing on the road, she telling who the hell are you to question the office assistant and she had started abusing me in unparliamentary language in front of the staff and left the site and same the day I had informed Mr. Krishna Prasad regarding this issue.

This is for your information
